\* Totals may not add to 100% due to random rounding.

(1) With the exception of "Total Population (100% data)", all profile variables are based on the non-institutional population (weighted 20% sample data). In some instances, due to weighting, suppression and/or random rounding, it is possible for the non-institutional population to be higher than the total population (100% data).

(2) Common-law category is not mutually exclusive from legal marital status, and may include persons who are single, separated, divorced, widowed, and/or same-sex partners.

(3) Private households only.

(4) Children are included if they are blood, step- or adopted sons and daughters (regardless of age or marital status) who are living in the same dwelling as their parent(s), as well as grandchildren in households where there are no parents present. Sons and daughters who are living with their spouse or common-law partner, or with one or more of their own children, are not considered to be members of the census family of their parent(s), even if they are living in the same dwelling.

(5) A couple living common-law may be of opposite or same sex.
