## Additional Information and Instructions for Completing this Application

This rebate is limited to commercial aircraft operating international flights. A commercial aircraft is an aircraft that is used in the business of transporting passengers or cargo. Private aircraft are not considered to be commercial aircraft. To be considered an international flight, the commercial aircraft's landing in Alberta must be part of a route that either begins or ends outside of Canada. Alberta may be the point of destination or departure, or an intermediate stop on a flight that begins or ends outside of Canada. Information Circular AV-1 contains more detailed eligibility information and is available from our website at: [www.finance.gov.ab.ca/publications/tax\\_rebates/fuel](http://www.finance.gov.ab.ca/publications/tax_rebates/fuel) or from our office.

### Additional Instructions to Assist With Completion of Page 1 of this Application:

1. **Business Identification Number (BIN)** - If this is your first application, please leave line 1 blank. If you have amalgamated since your last Aviation Fuel Tax Rebate Application was filed with Tax and Revenue Administration (TRA), please contact TRA for further instructions. See the top of page 1 for contact information.
2. **Alberta Corporate Account Number** - If the applicant is an Alberta corporation that is already registered with TRA and remits Alberta Corporate Income Tax, please enter the Alberta Corporate Account Number that is used to file your AT1 Tax Return. This number can also be found on your notice of assessment, notice of reassessment or statement of account issued by TRA to the corporation. Otherwise, leave line 2 blank.
10. **Period Beginning** - This must be the first day of the month for the claim period.
11. **Period Ending** - This must be the last day of the month for the claim period.
20. **Total Rebate Claimed** - The volume of eligible aviation fuel must be expressed in litres. All of the aviation fuel claimed must have been purchased "tax-included" in Alberta to be eligible. Refund of the aviation fuel tax rebate will only be provided in Canadian funds. For your convenience, a Direct Deposit Application form is available from our website at: [www.finance.gov.ab.ca/publications/tax\\_rebates/fuel/forms](http://www.finance.gov.ab.ca/publications/tax_rebates/fuel/forms) or from our office. Please include your Direct Deposit Application with your first Aviation Fuel Tax Rebate Application.

**Supporting Documentation must be submitted with this application.** This information must include date of tax-included fuel purchase, quantity, name of seller and purchaser, tail number and make/model of aircraft, flight number, departure point, and destination.

Records to support this rebate application must be retained for audit purposes in accordance with the Fuel Tax Act and Fuel Tax Regulation.
