

SNOW PARKING

Ensuring safe travel on Nova Scotia's roads is a high priority for the Department of Transportation and Infrastructure Renewal.

During the winter months, this means ensuring snow removal crews can work as quickly and efficiently as possible.

Parked cars can seriously impede snow clearing operations.

Help our crews by observing winter parking regulations, in effect from December 17, 2007 to March 31, 2008.

Parking will be restricted on select roads during that period between 1 a.m. and 7 a.m.

Effective Monday, December 17, 2007

Winter parking regulations will be in effect in the following areas:
