

**Transportation and
Infrastructure Renewal**

Registration for E-Bidding

January 2008

NSTIR Registration # _____
(To be completed by NSTIR)

NOTICE - REGISTRATION FOR E-BIDDING

Bidders are hereby notified that the Department will require e-bid only responses on selected contracts. In lieu of Bid Security as described in the Standard Specification, contractors must register and submit a Bid Security of \$150,000.00 with the Department for electronic tendering. This deposit shall be in the form of either a Certified Cheque, Irrevocable Standby Letter of Credit, Bank Draft or Money Order.

Bidders are advised that other than the bid security provision (noted above), all the remaining provisions and standards of the Department's Standard Specification - Highway Construction and Maintenance (February 1, 1997) and latest revisions, shall apply.

The registration process is completed on an annual basis by each bidder. Renewals will not require a new application form, but changes to company information and updated Bid Security will need to be sent in to the following address:

Manager, Highway Construction Services
Nova Scotia Transportation and Infrastructure Renewal
P.O. Box Building A,
107 Perrin Drive, Fall River, NS, B3J 2N2
Ph 902-860-2999, Fax 861-4828
