Customer Statement

I, the Customer, declare that I have read and comply with the Terms and Conditions below. I certify that the information I have provided on this Application is true and correct and the appliance(s) for which I am requesting a rebate meets the requirements listed in the Terms and Conditions below.

Customer Signature _____ Date _____

Terms and Conditions

1. To be eligible for the Power Smart ENERGY STAR Appliance Rebate Program (the "Program") all terms and conditions must be met to BC Hydro's satisfaction.
2. I understand the rebate offer is limited to residential customers on a residential rate. The energy-efficient appliance(s) must be installed in a residential dwelling within the BC Hydro or City of New Westminster service areas.
3. A rebate cheque is generally mailed within 6-8 weeks unless your Application is selected for verification, which may result in additional processing time.
4. Appliances must be purchased between **January 15, 2008** and **December 31, 2008** and the rebate Application must be submitted to BC Hydro within **90 days** of the appliance purchase in order to qualify for the rebate.
5. The newly installed appliances must meet ENERGY STAR qualifications as per the specifications outlined by Natural Resources Canada and the Office of Energy Efficiency. For further information on ENERGY STAR qualified appliances, please visit www.energystar.gc.ca.
6. Any rebate(s), discount(s) and/or incentive(s) offered and/or provided by any manufacturer, distributor dealer and/or installer, are separate and distinct from this Program. BC Hydro will not be responsible for any rebate(s), discount(s) and/or incentive(s) offered and/or provided by any manufacturer, distributor dealer and/or installer, or the administration thereof.
7. Only one application for each appliance type (i.e. clothes washer, refrigerator and freezer) will be accepted per household per Customer.
8. Customers who have received a rebate for their ENERGY STAR refrigerator or clothes washer from the BC Hydro Power Smart New Home program are not eligible for an additional refrigerator or clothes washer rebate under the Power Smart ENERGY STAR Appliance Rebate Program.
9. Application forms must be accurately and fully completed and must be submitted to BC Hydro with all information and copies of all supporting receipts with respect to the appliance for which the Customer is claiming a rebate. Completed Application forms and copies of receipts must be received (or postmarked) no later than 90 days after appliance purchase date as is evidenced by the corresponding sales receipt. BC Hydro will not be responsible for any late, lost, incomplete, illegible, misdirected, stolen, delayed, damaged, destroyed Application forms, or otherwise failures or circumstances affecting, disrupting or corrupting the Program. Any Application forms that are incomplete or tampered with may be voided by BC Hydro.
10. Only those appliance purchases that fall within the announced Program deadlines will be considered by BC Hydro for rebate eligibility.
11. BC Hydro reserves the right to audit and evaluate newly installed appliances at the Residence at any reasonable time for verification of the purchase and installation prior to issuing a rebate. A rebate may not be paid if an inspection or evaluation is refused or upon discovery of any failure to comply with any requirement of the Program.
12. The Customer agrees that the selection, purchase, installation and ownership/maintenance of the appliances listed in the Application form are its sole responsibility and that the provider(s) of same is/are not affiliated with BC Hydro or any of its Power Smart programs. The Customer understands that BC Hydro makes no representation or warranty, whether expressed or implied in respect of any such appliances, services or measures that the Customer has chosen and applied a rebate for. The Customer agrees that BC Hydro has no liability concerning any estimated energy savings of any appliances, services or measures, and/or the installation, performance, use or fitness, of the same for the Customer's purpose.
13. The Customer is responsible for meeting all Program requirements and complying with any laws, regulations or by-laws regarding permits, codes, restrictions or inspections in relations to appliances, products or equipment installed.
14. BC Hydro's decisions relating to the Program, including without limitation product acceptability, customer eligibility and amount of rebate, shall be final and binding and not subject to appeal.
15. BC Hydro reserves the right to change or terminate the Program at any time without notice. A completed eligible application received prior to a change or termination of the Program will be administered in accordance with the Program as it existed effective as of the date of the Rebate Application.
16. By applying for this offer, the Customer acknowledges that BC Hydro or one of its agents may contact the Customer in the future to participate in a survey regarding this program.
