Address of Project (Print)

Name of Project (Print)

Legal Description of Project (Print)

This is to advise that I am the *professional engineer* appointed by the *owner* or prime consultant to perform the Field Review of Construction for the FIRE SUPPRESSION SYSTEMS DESIGN requirements.

I hereby certify for the Fire Suppression Systems Design Requirements that

- 1) I will review the fire suppression systems shop drawings *to determine general compliance with the design documents*, however, the party producing the shop drawings remains responsible for the design expressed therein;
- 2) I will coordinate the review of changes to the fire suppression systems design documents to ensure that the applicable *professional engineer(s)* determines whether the changes conform to the *Code*;
- 3) I will complete the Certification of *Field Review of Construction* and return it to the *authority having jurisdiction* prior to requesting the *occupancy permit*;
- 4) I will file a copy of this form, a copy of the shop drawings, and specifications for the fire suppression system, and a copy of the appropriate contractor's material and test certificate for the system, as required by sentence 3.2.5.13.(1) of the *Code*, with the Office of the Fire Marshal. I shall forward proof of receipt for each of the documents filed, issued by the Office of the Fire Marshal, to the *authority having jurisdiction* prior to requesting the *occupancy permit*.

Please be advised that I may delegate some or all of my duties associated with the *Field Review of Construction* to another person employed by me or my firm where it is consistent with prudent professional practice to do so. The functions will however be performed under my supervision in accordance with the Engineering Profession Act.

The undersigned shall notify the *authority having jurisdiction*, in writing as soon as practical, but not later than 72 hours, if the contract for *Field Review of Construction* is terminated at any time during construction.
