

Supplier Debriefing - It's All About You!

This is a service offered to any supplier when requested within ten days of a tender award. The debriefing should be a positive and constructive experience that explains how you may improve future submissions.

WHAT IT IS

It's an opportunity for suppliers to:

- learn more about the procurement and evaluation process in an informal setting.
- find out how **your** proposal scored against the published criteria.
- hear overall comments from the evaluation team on your bid.
- gather information on how future submissions may be improved.

WHAT IT IS NOT

- It is not part of the *Vendor Complaint Process* which can be found at: <http://www.gov.ns.ca/tenders> under **Supplier Information**.
- It is not a legal proceeding, so no legal representation is permitted.
- It is not the venue to talk about other bidders. Your bid is not compared to other bids, nor will information be provided about other bids.*

*After contracts have been awarded, access to tender documents is subject to the provisions of the Freedom of Information and Protection of Privacy Act.
