

EUROPEAN PLAN FISHING PACKAGE

Tranquility, easy access and safety are yours on Anticosti Island. You will love doing the activity you've been dreaming of for so long. Find out now about the three possibilities that will make your fishing trip an unforgettable adventure.

You can book your fishing trip one year in advance.

5 NIGHTS IN JUNE

Lake Trout Fishing

Starting in early June, a total of twelve anglers share the lakes of Anticosti for the pleasure of teasing indigenous speckled trout.

For fishing vacations, an exclusive sector is allocated for each cabin. The daily catch limit is 10, and when you head home, you can take 20 trout with you.
