Québec 

bonjourquebec.com

1 877 BONJOUR (1 877 266-5687) ext. 841

Sent in search of gold by the king of France, Jacques Cartier set foot in Québec in 1534 and discovered so much more:

Stretching more than 1,600,000 km² (640,000 square miles) across northeastern North America, Québec invites you to feast on its playful energy and the breathtaking diversity of its wide-open spaces. Its Native, French and English heritage grooves to the continent's cosmopolitan beat while keeping time to a multitude of international rhythms.

Here, time dresses up in a colourful four-season wardrobe, vibrant cities and picturesque villages envelop themselves in nature's extravaganza — fertile valleys draped in autumn hues or winter white, untouched forests, craggy mountains bearing the signature of the millennia.

Here, thousands of winding rivers and countless pristine lakes interlace and delight. Here, one of the world's most magnificent rivers dons the airs of an ocean.

Québec is a festive destination where surprise after surprise awaits you: year-round picturesque festivals, major exhibitions and hand-picked shows; and city streets taken over each summer by musicians, jugglers and other performers. At every turn, you'll find fireworks, captivating rodeos, enchanting gardens, gambolling dancers, and sand castles that are the stuff of dreams! Summer and winter, great shows and world-class sport events abound. Pleasure and discovery await you in every region!

Not to be missed in 2007 to 2008: the Grand Prix du Canada, The Presidents Cup, International Jazz Festival, High Lights Festival, and Just for Laughs, all in Montréal; and the Carnaval de Québec to name just a few!

Visitors to Québec City will be in for a particular treat starting in early 2008 as celebrations commemorating the city's 400th anniversary get underway. The party will reach its peak on July 3, 2008, the date the city was founded.

Don't wait another second. Come dance with us!
