Dear Andy Robertson:

Your Woodlot Licence Plan (WLP) submission of June 2, 2005 and as amended August 25, 2005 for Woodlot Licence W1675 for the years 2005 to 2015 has now been fully reviewed.

Determination:

I am satisfied that the plan has been prepared and submitted in accordance with Section 13 of the *Forest and Range Practices Act* (FRPA) and the regulations. Accordingly, as the statutory decision-maker authority under Section 16 of the FRPA, I am hereby approving your WLP.

The Ministry of Forests and Range remains committed to a meaningful consultation process with First Nations who may assert traditional aboriginal interests in an area covered by this WLP. The particulars of this WLP have been communicated to the appropriate First Nations and their input has been encouraged. To date, I have not been advised of any site-specific aboriginal interests that may be infringed upon by the proposed development described in this WLP.

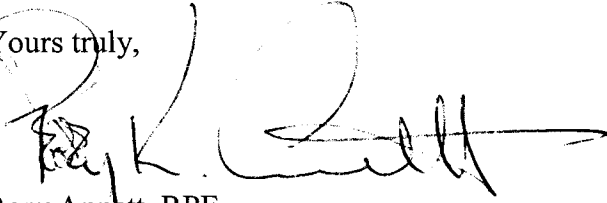

The term of this plan is November 7, 2005 to November 6, 2015. Further development taking place on Woodlot Licence W1675 must be done in accordance with the approved WLP. This letter forms an integral part of the WLP for Woodlot Licence W675 and should be attached thereto.
