

PRINCE EDWARD ISLAND PROVINCIAL NOMINEE PROGRAM

BULLETIN: #16 JANUARY 31, 2007

**Subject: Temporary Suspension of “New” Immigrant Partner Applications
From February 2nd to March 16th 2007**

The Prince Edward Island Provincial Nominee Program has experienced a dramatic increase in the file volume. The number of files in progress has reached a level where our ability to meet our processing time lines has come into question.

Therefore, from February 2nd to March 16th the Prince Edward Island Nominee Program will not be accepting new pre-assessments.

In addition, we wish to revamp certain eligibility criteria under this category and are hereby notifying you that during the above period you will be receiving revised program criteria.

The Prince Edward Island Nominee Program encourages its agents and intermediaries to use this period to submit missing information for files in progress and to schedule interviews for those clients who have not yet been interviewed. We have a significant inventory of clients awaiting an interview and files with outstanding errors and omission items.

Thank you for your continued interest in the Prince Edward Island Nominee Program.
