**CAUTION:** This Tender/RFP Notification List is to provide interested businesses an opportunity to freely access tender information easily, and quickly. Users reading and using information on this list may do so at their own risk. The Government of Nunavut does not guarantee the accuracy, reliability, completeness of the information included therein. This list consists of those Tenders/RFPs that were reported to the Department of Community & Government Services, and may not be a complete list of all Government of Nunavut Tenders/RFPs. Closing dates are subject to change, and in the event that a discrepancy exists between information displayed on this list and the Tender/RFP document, the document shall govern.

If the value of the contract is estimated at less than \$25,000 the Nunavummi Nangminiqaqtunik Ikajuuti (NNI Policy) prohibits inviting tenders from non-Nunavut based businesses if there are three or more locally available to perform the contract. The NNI Policy applies to all GN RFTs/RFPs except where the IIBA Rules for Parks Contracts applies. FOB Point/Location is not necessarily the Subject Community as defined in the NNI Policy.
