

Freelance Researchers List

112 Customer
Service Guide

Most Recent Update: January 2008

The Archives of Ontario provides this list as a reference tool for members of the general public who may wish to hire an independent researcher to conduct research at the Archives of Ontario.

The type of research the individual does is indicated below their contact information as being one or more of the following: architectural records researcher, cartographic researcher, general researcher, visual records researcher.

Disclaimer: The individuals listed below are neither employees nor agents of the Archives of Ontario and should be consulted personally about their fees, services, credentials, and areas of specialization. The Archives of Ontario does not certify or confirm the credentials of any of the individuals named in this list. The Archives of Ontario cannot be held responsible for any claims, damages or losses resulting from the use of this list, or any part thereof, by any person. The information contained in this list is supplied to the Archives by outside individuals and may not be complete or current.
