PERIODIC OCULO-VISUAL ASSESSMENT

K065	Eye examination rendered to patients between the ages 20 and 64 who are recipients of income support under the <i>Ontario Disability Support Program Act, 1997</i>	40.15
K066	Eye examination rendered to patients between the ages 20 and 64 who are recipients of income assistance or benefits under the <i>Ontario Works Act, 1997</i>	40.15

These assessments are rendered primarily to determine if a patient has a simple refractive error (defined as myopia, hypermetropia, presbyopia, anisometropia or astigmatism) and include all services necessary to perform the assessment (ordinarily relevant ocular medical history, relevant past medical history, relevant family history, visual acuity examination, ocular mobility examination, refraction, slit lamp examination of the anterior segment, ophthalmoscopy, tonometry), advice and/or instruction to the patient and provision of a written refractive prescription if required.

Note:

1. These services are limited to a maximum of one per patient every 24-month period regardless of whether the first claim for either service or a major eye examination is or has been submitted for a service rendered by an optometrist or physician.
2. For physicians other than ophthalmologists, claims submitted for any other service by the same physician the same day as either of these services are not eligible for payment.
3. This payment represents full payment for the service. No additional charge to either OHIP or the patient for this service is permitted.
