

Celebrating Innovations in Health Care Expo

Celebrating Innovations in Health Care Expo **Selection Criteria**

A diverse mix of projects will be selected to participate in the Expo as follows:

Meeting Community Needs Through Integrated Care	Up to 70 booths
Improving Quality and Patient Safety	Up to 75 booths
Improving Efficiency Through Process Redesign	Up to 50 booths
Innovations in Health Promotion	Up to 30 booths
Innovations in Health Human Resources	Up to 25 booths
Innovations in Health Information Management	Up to 30 booths

Participants will be chosen by an independent expert Selection Committee panel who will include projects that represent one of the following:

A local innovation that has been adapted from existing best practices in other regions, countries, etc.

A unique, local innovation developed by an organization to meet the special needs of your community.

A new and innovative program that has the potential to be adopted system-wide across the province.

In addition, the Selection Committee will evaluate:

- The overall quality of the application
- The team's plan to present its innovative project in a visually exciting and interactive way.

Successful applicants will be posted online by Thursday, March 27, 2008. All applicants will also be notified via email.
