Sign up with your bank to pay online

If you do online banking for other payments you can pay your WSIB premium online too¹. Just add us as a biller to your online banking service – then link from our site to pay your premium. Be sure to add us (Ontario WSIB – Schedule 1) as a payee using your 7-digit WSIB employer account number. **You have to do this with your bank before you can pay your premium online.**

If I file and pay online will the payment be immediate?

Take no chances! Remember you are paying us through the bank, not directly to the WSIB. To avoid late payment charges pay online 3 days before the due date to allow processing time.
