Canada-Saskatchewan Infrastructure Program 2003-04 Approved and Announced Projects As at April 14, 2003

Community	Project
Village of Arran*	Water treatment plant upgrade
Town of Balcarres* **	New water treatment plant
Village of Bethune	Water pump enhancement
RM of Brokenshell*	Water treatment plant expansion
Village of Cadillac*	Water treatment plant upgrade
Village of Carievale	New pumps and motors for water plant
Village of Conquest	Water meter replacement
Village of Creelman*	Revitalization of quality potable water
Village of Debden	Water treatment plant filter upgrade
Village of Fedwood	Firefighting hookup
RM of Garry	Water improvement/tank unloading
RM of Lakeview* (Hamlet of Hendon)	Well upgrade
Town of Langham*	Water well development and water treatment plant
Town of Luseland	Well house pump upgrade
Village of Makwa	Water plant filters and pumps
Town of Maple Creek* **	Water supply and treatment system upgrade
Village of Margo*	Water treatment plant upgrade
Village of Markinch	Fire hydrants
RM of Mayfield* (Glenburn Regional Park)	Water well enhancement
Town of Meadow Lake*	Water treatment plant enhancement -
	engineering
RM of Meeting Lake* (Regional Park)	Water supply and treatment
Village of Osage	Water quality improvement
Village of Pleasantdale	Replace water treatment plant building
RM of Porcupine* (Hamlet of Prairie River)	Water treatment plant upgrade
Village of Webb Village of Willowbrook*	Water treatment plant upgrade
Village of Windthorst	Water treatment plant upgrade Water treatment/distribution upgrade
