

**Canadian Securities Administrators' Revised Staff Notice 13-315
Securities Regulatory Authority Closed Dates 2007
Amended**

This schedule has been amended from that originally published on January 26, 2007. The only amendment is to reflect that the Autorité des marchés financiers du Québec will be closed on January 2, 2008.

We have a mutual reliance review system (MRRS) for prospectuses (including long form, short form and mutual fund prospectuses), prospectus amendments, waiver applications and pre-filings. It is described in National Policy 43-201 Mutual Reliance Review System for Prospectuses.

The principal regulator will only issue a MRRS decision document evidencing the receipt of non-principal regulators that are open on the date of the MRRS decision document. The principal regulator will issue a MRRS decision document evidencing the receipt of the remaining non-principal regulators on the next day that they are open. These procedures are described in section 7.8 of the Policy.

A dealer may only solicit expressions of interest in a non-principal jurisdiction after a receipt has been issued by that jurisdiction. In addition, an issuer may only distribute its securities in the non-principal jurisdiction at that time.

The following is a list of the closed dates of the securities regulatory authorities for 2007. These dates should be noted by issuers in structuring their affairs.
