INTRODUCTION

This report provides information about enforcement activity undertaken by members of the Canadian Securities Administrators (CSA) during the 6 months ended September 30, 2007. The CSA is the council of the securities regulators of Canada's provinces and territories whose objectives are to improve, coordinate and harmonize regulation of the Canadian capital markets. References in this report to the CSA include reference to its member regulators and associated tribunals.

CSA ENFORCEMENT ACTIVITY IN THE FIRST HALF OF FISCAL 2008

HIGHLIGHTS

From April 1, 2007 to September 30, 2007, Canadian Securities Administrators:

- initiated proceedings on 56 new enforcement matters before a CSA member commission or associated tribunal;
- concluded 58 cases involving 226 companies and individuals that resulted in sanctions, including monetary sanctions, settlements and disgorgements totalling approximately \$6.3 million and approximately \$1.7 million in costs awarded;
- issued 42 interim orders to freeze assets and/or stop individuals and companies from trading in the capital markets; and
- issued eight reciprocal orders, recognizing enforcement decisions from another province to effectively prohibit 13 individuals and companies who were banned in one jurisdiction from engaging in inappropriate conduct in another.

INTRODUCTION

REGULATORY ENFORCEMENT IN CRIMINAL COURT

In certain circumstances, CSA regulatory enforcement activity may also result in proceedings in criminal court. From April 1 2007 to September 30, 2007, criminal authorities convicted 13 individuals and three companies of breaking securities laws, resulting in orders to pay \$404,000 in fines and \$1.2 million in restitution and jail time ranging from 21 days to six months. The majority of these court convictions were against those who were found to be illegally distributing securities.

WORKING TOGETHER THROUGH JOINT ENFORCEMENT ACTION

The CSA Enforcement Committee, made up of key enforcement professionals in each of the jurisdictions, meets monthly to discuss general enforcement issues, processes and specific cases where reciprocal or joint action is appropriate. In some cases CSA members pool investigative resources from various jurisdictions to obtain information regarding individuals or companies that may be illegally operating in more than one province or territory. From April 1, 2007 to September 30, 2007, CSA Enforcement teams worked to bring enforcement action against a number of individuals and companies involved in the Saxon Financial Services Ltd. and Limelight Entertainment Inc. cases.

Members of the CSA may also reciprocate decisions, basically broadening the effect of a decision to more than one jurisdiction. Reciprocal orders are an effective way of prohibiting a person banned in one jurisdiction from engaging in inappropriate conduct in another. We reported eight reciprocated orders for the period ended in September 2007.

ENFORCEMENT: A CORE CSA RESPONSIBILITY

Investigation and enforcement are core CSA activities. By identifying contraventions of securities laws or conduct in the capital markets that is contrary to the public interest, and by imposing appropriate sanctions, the CSA deter wrongdoing, protect investors, and foster fair and efficient capital markets in which investors have confidence. Enforcement personnel of CSA member authorities deal with potential securities law violations identified through internal CSA compliance and surveillance or as a result of complaints from market participants and the public.

COMPLEMENTARY ENFORCEMENT ROLES

The CSA's enforcement activity complements that of other agencies, with which we cooperate and share information on matters of mutual interest. This allows us to focus activity and resources where most appropriate.

INTRODUCTION

KEY PLAYERS

ENFORCEMENT BRANCHES OF CSA MEMBERS

Enforcement personnel of CSA members can bring matters before a specialized administrative tribunal, which in most jurisdictions is the local securities commission. Such tribunals can impose sanctions including orders that trading in securities cease or that exemptions are unavailable, bans on individuals acting as corporate directors and officers, mandatory filing of specified disclosure, monetary administrative penalties, disgorgement and payment of costs. Enforcement personnel often negotiate settlement agreements under which those alleged to have contravened securities laws submit to agreed sanctions. In some jurisdictions settlement agreements are approved by staff; in other cases they are presented for the approval of the local securities commission or tribunal.

In some provinces, enforcement personnel of CSA members can also bring securities law contraventions before a court. The sanctions available to enforcement staff in the courts for securities law violations are also more extensive than those available to securities regulatory authorities, including imprisonment.

SROs

Self-regulatory organizations (SROs) oversee regulated conduct of their members. For example, if the Investment Dealers Association of Canada (IDA) finds that a member has contravened its by-laws, it can impose monetary penalties and suspend or revoke IDA membership and registration under securities laws. The Mutual Fund Dealers Association of Canada (MFDA) assumes a similar role for members in its sector. Market Regulation Services Inc. (RS Inc.) oversees trading activity on Canadian equity markets. It imposes sanctions for contraventions of the Universal Market Integrity Rules (UMIRs), including fines and suspension or restriction of market access. The *Chambre de la sécurité financière* oversees (CSF) financial planners and some securities intermediaries Quebec. The Montréal Exchange Inc. (MX), through its Regulatory Division, is responsible for regulating its markets and participants and it may impose sanctions in case of contraventions to its rules.

POLICE

The RCMP and local and provincial police investigate commercial crimes, including market fraud. The federal government established IMET (Integrated Market Enforcement Teams, with combined RCMP and civilian membership) to target major economic crime.

PROVINCIAL ATTORNEYS-GENERAL

Provincial and territorial Attorneys-General or equivalents can bring contraventions of securities laws, as well as of criminal laws, before a court. Fraud and other contraventions of the Criminal Code can attract stiff penalties including large fines and imprisonment.

ILLEGAL DISTRIBUTION

MANITOBA

Robert Wayne Bennett and Celebration of Your Financial Success Online Inc. - On May 25, 2007, Bennett was sentenced *in absentia* to six (6) months incarceration, followed by supervised probation for twelve (12) months, and surcharges of \$800. A fine of \$5,000 was imposed upon Celebration. A warrant of committal is outstanding. On September 14, 2005, Bennett and Celebration were convicted at trial in the Provincial Court of Manitoba for trading in securities without registration and without prospectus. Bennett, the incorporator, sole director, and President and CEO of Celebration solicited investors to buy shares in Celebration, describing an investment scheme with an opportunity to make a million, the benefit of getting in on the ground floor of a company with alleged plans to go public, a vacation ownership plan with drastically discounted packages for shareholders, an alleged agreement with another company to build a resort in the Dominican Republic, a bonus system whereby free shares could be received, and a referral program with credits given to investors for referring in others. Over \$25,000 was collected by Bennett and Celebration. Bennett had previously been registered for a short period as a mutual funds salesman under the Act. See http://www.msc.gov.mb.ca/legal_docs/investigation/reasons/bennett.html for details.

Hans-Ove Hybschmann – On February 22, 2007, Hybschmann plead guilty in the Provincial Court of Manitoba for trading without registration. At all material times, Hybschmann had a restricted registration as a mutual fund salesman. Over an eight month period in 2000, discussions occurred between Hybschmann and an investor who was looking for an alternative to her existing pension investment with a higher rate of return. Hybschmann advised her of an alternative with a greater return without tax liability. Hybschmann prepared documentation for the investor to sign to open a new self-directed RRSP account and to transfer \$100,000 of her locked in retirement pension. Following the transfer, \$99,960 of the monies were used to purchase shares of a company called GDL Evergreen Inc. In 2002, the investor was informed that the shares were worthless. On April 27, 2007, Hybschmann was sentenced in Provincial Court to six (6) months incarceration. Hybschmann appealed the sentence to the Court of Queen's Bench. See http://www.msc.gov.mb.ca/legal_docs/investigation/reasons/hybschmann.html for details.

Everett Conrad – On April 4, 2007, Conrad plead guilty in the Provincial Court of Manitoba to fourteen (14) counts of trading without registration and without prospectus. On April 4, 2007, the court accepted a joint recommendation as to sentence and imposed a sentence of a period of incarceration of six (6) months, followed by supervised probation for twelve (12) months with conditions including restitution in the amount of \$35,000. In the period of December 1, 2001 to December 31, 2002, Conrad traded securities of 3948731 Canada Inc. also known as Eco Age Metals & Minerals Inc. to ten (10) Manitoba investors in the total amount of \$151,300. Most of the investors were approached by Conrad, who gave them a sales pitch as to the company's activities and investing in the company. The company's anticipated business activity was explained as processing flue fly ash, using a system called electro-kinetic converter process, in order to separate out minerals to be sold. During the period in question, Conrad was a licensed life insurance agent. Eco Age Metals & Minerals Inc. was dissolved on November 2, 2005. None of the monies were returned to the investors. See http://www.msc.gov.mb.ca/legal_docs/investigation/reasons/conrad.html for details.

Donald George Hodgson and Gerald Gordon Hodgson – On January 22, 2007, Donald George Hodgson and Gerald Gordon Hodgson (the "Hodgsons") pled guilty of trading in securities without registration and without a prospectus. The Hodgsons solicited \$90,000 from 14 investors. Losses were \$83,773.35. The Hodgsons were sentenced on May 17, 2007, and ordered to pay a fine of \$14,000 each and were placed on probation for 3 years. The probation sentence ordered restitution in the amount of \$83,773.35 for which the Hodgsons are

jointly and severally liable. Costs and surcharges were waived. See http://www.msc.gov.mb.ca/legal_docs/investigation/reasons/hodgson.html for details.

NEW BRUNSWICK SECURITIES COMMISSION (NBSC)

Saxon Financial Services Ltd., Saxon Consultants Ltd., Sean Wilson, Justin Praamsma, Conrad Praamsma, Todd Young, Merchant Capital Markets S.A. - In July 2007 NBSC staff became aware that these parties were soliciting investors in New Brunswick to buy gasoline options. They were also active in other Canadian jurisdictions, and operated from offices in Atlanta, Georgia. Very large returns were promised. The organization appeared to be part of a larger organization having connections in Canada, the US, the British Virgin Islands, the UK, Germany and Switzerland. NBSC staff sought a cease trade order which was granted and subsequently made permanent.

See http://www.nbsc-cvmnb.ca/nbsc/uploaded_files/Saxon-TO-13-Jul-07.pdf and http://www.nbsc-cvmnb.ca/nbsc/uploaded_files/Saxon-CTO-27-Jul-07-e.pdf for details.

None of the parties were registered or had sought to file a prospectus. The NBSC imposed administrative penalties totaling \$350,000 including a penalty for failing to comply with a previously issued NBSC cease trade order.

See http://www.nbsc-cvmnb.ca/nbsc/uploaded_files/Limelight%20RforD%20%2017Aug07%20e.pdf for details.

Staff also became aware that the SEC had sought a restraining order against these parties in Florida. On September 24, 2007, the NBSC issued a cease trade order against them. SASKATCHEWAN FINANCIAL SERVICES COMMISSION (SFSC)

Arial Trading, Bruce Kirkpatrick and Jeffery Manz - On April 3, 2007, the SFSC extended the temporary cease trade order originally issued on March 19, 2007 against Arial Trading LLC, based in Costa Rica. This extended order also applies to the company representatives, Bruce Kirkpatrick and Jeffery Manz, who act on behalf of Arial. As a result of publicity regarding these orders, Saskatchewan investors came forward with concerns about these firms. The firm and those acting for them solicited investments from Saskatchewan residents through telephone and e-mail canvassing. They were not registered to trade in securities or act as advisors, and have contravened provincial registration requirements.

See <http://www.sfsc.gov.sk.ca/ssc/files/enforcementorders/ext-arial-kirkpatrick-manz-April%203-07.pdf> for details.

University Lab Technologies – On April 11, 2007, the SFSC issued a temporary cease trade order against University Lab Technologies Inc. (ULT), which also included certain individual representatives - George Theodore, Dan Iwanski, Steve Axelrod, Sy Schaiken, Bill Ross, and Richard L. Green. That cease trade order was extended on April 26, 2007 indefinitely. University Lab Technologies Inc., based in Boca Raton, Florida, holds itself out as manufacturing and selling natural products that address common complaints among specific groups of people. Salespersons for ULT, made contact with Saskatchewan residents by telephone, email and mail, and offered to sell them common shares of ULT. As a result, some Saskatchewan residents have purchased shares in ULT. SFSC is working closely in this investigation with several other provincial Securities Commissions who have an identified interest in ULT and are also being assisted by the Office of Financial Regulation in Florida, and the Florida offices of the SEC. None of the individuals mentioned, nor ULT, have

been or are registered to trade in securities in Saskatchewan. The SFSC has also not issued a prospectus receipt to ULT, and the respondents have contravened both the registration and prospectus requirements of Saskatchewan securities laws.

Gordon Equity Management Ltd. – On May 4, 2007, the SFSC issued a temporary cease trade order against Gordon Equity Management Ltd. (GEM) and their representatives Paul Thomas and Vince Gold. The order was extended indefinitely on May 18, 2007. Gordon Equity Management Ltd., based in Belize City, Belize, holds itself out as a company that specializes in assisting small and medium size companies to raise capital and market their securities to the investment community. Thomas and Gold, acting on behalf of Gordon Equity Management Ltd., have contacted residents of Saskatchewan and offered to exchange shares of large companies that trade on stock exchanges inside and outside of Canada for shares of unlisted companies that the Saskatchewan residents already own. Neither Gordon Equity Management Ltd. nor these two men have been or are currently registered to trade in securities or act as advisors in Saskatchewan, and have contravened provincial registration requirements. Investors in Euston Capital Corp and Limelight Entertainment Inc. appear to be the target of the latest reported incidents in Saskatchewan. Other Securities Commissions across Canada report similar incidents related to these two companies as well as others.

The order also removes their right to use exemptions under Saskatchewan securities laws. Saxon is based in Atlanta, Georgia, USA, and the British Virgin Islands. Merchant Markets is based in Geneva, Switzerland. Both are offering investment opportunities in oil, gas and currency options and have contacted and secured investments from several individuals in Saskatchewan. Neither of these companies, nor the persons named, have been or are registered to trade in securities in Saskatchewan and as a result have contravened the requirements of Saskatchewan securities laws. SFSC has been working very closely with other provincial Commissions and as a result there are now similar orders issued in several other provinces against Saxon, Merchant Markets and its representatives. As well there is cooperation and involvement with an investigation involving the CFTC in Atlanta, Georgia. SETTLEMENT AGREEMENTS

ONTARIO SECURITIES COMMISSION (OSC)

Dane Alan Walton – In April 2007, the OSC concluded a settlement agreement with Dane Alan Walton, the Manager of Trading at Taurus Capital Markets Limited, with respect to the trading of Visa Gold Explorations Inc. shares. Under Walton's management, certain trading had the effect of creating a misleading impression that there was a higher volume of trading in Visa Gold shares than there truly was, and other trading caused an upward pressure on the price for Visa Gold shares. Walton ought to have known that these trades could create a misleading appearance as to market activity for Visa Gold shares or as to the price of those shares. He ought to have realized that, through his firm's market making facility, he might be assisting a trader in masking the true nature of certain of his trades. The OSC ordered that trading in any securities by Walton, for his own account or for the account of others, will cease for 4 months and that for a period of 5 years thereafter, his trading will be subject to certain restrictions. For a period of 3 years following the 4-month cease trade period. Walton will not be permitted to apply to be a specialist or market maker for any publicly traded security. Any exemptions will not apply to Walton for 5 years, subject to certain permitted trades. Walton undertakes not to apply for registration that would permit him to represent clients as a registered representative for 15 years. His registration will be subject to certain restrictions for 5 years. He will not act as an officer or director of any reporting issuer or registrant for 5 years. Walton is to pay \$6,000 in costs, and disgorge to the Commission \$9,000 for allocation to or for the benefit of third parties. If such costs and disgorgement are not paid within 5 years, certain restrictions shall remain in place until further order of the Commission.

Hayden was fined \$17,000 and must pay \$17,500 in costs. Michael Joseph Puccini – On March 28, 2007, an IDA hearing panel found Puccini guilty of engaging in conduct detrimental to the public interest, contrary to IDA By-laws. Further, Puccini refused and/or failed to attend and give information in respect to an investigation being conducted by the IDA's Enforcement Department. Puccini was permanently banned from approval with the IDA, fined \$150,000 and must pay \$17,371 in costs. Mr. Puccini has not been registered with an IDA Member firm since November 15, 2005. See IDA Bulletin 3619 at www.ida.ca for details.

QUÉBEC

The Jitney Group Inc. - On March 12, 2007, an IDA hearing panel accepted a settlement agreement negotiated between staff of the IDA and Jitney. Pursuant to the settlement agreement, Jitney has admitted that between December 31, 2002 and February 25, 2004, it failed to maintain at all times a risk adjusted capital (RAC) at a level greater than zero, being capital deficient for amounts of up to \$1,877,000, in violation of IDA By-laws. Further, Jitney admitted that between approximately March 8 and April 28, 2004, it failed to comply, at all times, with a business restriction imposed by the IDA requiring that the Member limits the size of its securities owned and sold short positions and capital provided on such positions to \$150,000. For its misconduct, Jitney has been fined \$50,000 and must pay \$15,000 in costs. See IDA Bulletin 3628 at www.ida.ca for details.

Marc Beaudoin - On May 8, 2007, an IDA hearing panel found that Beaudoin had violated IDA By-laws by refusing to appear and give information before the persons conducting an investigation. The IDA hearing panel noted that failure to cooperate in an IDA investigation is serious misconduct because it subverts the IDA's ability to perform its functions. Beaudoin has been fined \$50,000 and must pay \$6,115.09 in costs. He has also been assessed a permanent ban on approval in any capacity with an IDA Member firm. Beaudoin has not been registered with an IDA Member firm since January 30, 2006. See IDA Bulletin 3638 at www.ida.ca for details.

Petriello was permanently banned from

approval with the IDA, fined \$150,000 and must pay \$29,135.18 in costs. Petriello has not been registered with an IDA Member firm since November 2, 2004. See IDA Bulletin 3645 at www.ida.ca for details.

Jean-Louis Trudeau - On June 14, 2007, an IDA Hearing Panel imposed discipline penalties on Jean-Louis Trudeau. The IDA Hearing Panel had previously ruled that, during February 2003 and May 2004, Trudeau failed to use due diligence to ensure that the acceptance of orders for the accounts of four clients was within the bounds of good business practice, contrary to IDA Regulations. Trudeau failed in his role to protect the public interest by executing trades that were indicative of unlawful or suspicious behaviour without making any prior effort to determine whether insider trading or the use of privileged information was involved. In finding Trudeau guilty of this first count, the Hearing Panel recalled the crucial role of participants in the securities industry who contribute to the honesty of the system by not willingly turning a blind eye to the lapses or to the conduct of their clients, and by questioning their dubious actions. Furthermore, the IDA hearing panel found that, during June 2001 and May 2004, Trudeau failed to use due diligence to ensure that he learned the essential facts relative to four clients, and to every order or account accepted, contrary to IDA Regulations. Trudeau neglected to identify the clients in accordance with IDA guidelines relative to the proceeds of crime (money laundering) legislation and failed to obtain necessary information from his clients. Trudeau must pay a total fine of \$130,000, disgorge \$41,342.63 in commissions, and must pay \$30,000 in costs. In addition, Trudeau is required to re-write and pass the *Conduct and Practices Handbook Exam* within one year of the effective date of the decision. Trudeau is currently employed with Canaccord Capital Corporation. See IDA Bulletin 3646 at www.ida.ca for details.

Bertrand Trudel – On March 23, 2007, an IDA hearing panel ruled that, on or about March 21, 2002, Trudel effected an unauthorized trade on behalf of his client contrary to IDA Bylaws; between July 1997 and July 2002, he effected discretionary trades in a client's margin account without the proper written authorization of the client; between January 2000 and July 2002, he made unsuitable recommendations to two clients given their investment objectives and risk tolerance; and between January 2000 and November 2002, he took instructions from a third party without a proper power of attorney to carry out trading in the account of three clients all contrary to IDA Regulations. The IDA hearing panel dismissed counts that Trudel failed to ensure that certain operations on behalf of his clients were in accordance with the rules set forth in the Québec Securities Act and that he failed to report his personal interest in a company in which his clients were investing. In its penalty decision dated May 28, 2007, the IDA hearing panel ordered that Trudel pay a total fine of \$35,000; disgorge commissions in the amount of \$6,359.37; and pay \$10,000 in costs. Furthermore, Trudel is to be under close supervision until November 1, 2007. Trudel is currently employed with Retirement Option Group Inc. See IDA Bulletin 3647 at www.ida.ca for details.

Martin Brunetta - On June 12, 2007, an IDA hearing panel accepted a settlement agreement negotiated between staff of the IDA and Brunetta where he admitted to have failed to use due diligence to remain informed of the essential facts relative to certain foreign clients, contrary to IDA Regulations and By-laws and to have engaged in conduct unbecoming and detrimental to the public interest and failed to exercise his role to protect the public contrary to IDA By-laws. Further, he executed some 50 transactions in client accounts on the instructions of third parties, without the records of the investment dealer showing that any written authorization or ratification had been granted by the clients, contrary to IDA Regulations and By-laws. Brunetta was fined \$30,000 and must pay \$7,000 in costs. He must also pay back \$1,451.32 in commissions. In addition, Brunetta is to be under strict supervision for a period of six months and must successfully complete the IDA Conduct and Practices Handbook exam within six months of the effective date of the settlement agreement. Brunetta remains employed with the Montréal branch of CIBC World Markets Inc. See IDA Bulletin 3649 at www.ida.ca for details.

SELF-REGULATORY ORGANIZATIONS

Peak Securities Inc. – On July 18, 2007, the IDA hearing panel accepted a settlement agreement negotiated between staff of the IDA and PEAK Securities Inc. Under the terms of the settlement agreement, PEAK Securities Inc. admitted that on July 15, 2004, it failed to maintain its Risk Adjusted Capital at a level greater than zero, and thus found itself in a capital deficiency position for the amount of \$59,000; and in July 2004, it had not finished implementing control measures relative to activities that have an impact on Risk Adjusted Capital—although it was completed subsequently—all contrary to IDA By-laws. Peak Securities Inc. must pay a fine of \$30,000 and \$15,000 in costs. See IDA Bulletin 3660 at www.ida.ca for details.

Meffé has been assessed a five-year prohibition of approval in an officer category and/or in a supervisory capacity; a seven-year prohibition of approval as a Designated Registered Options Principal or as an Alternate Registered Options Principal; a four-month suspension of approval for trading options; the requirement to successfully pass the *Derivatives Fundamentals* and *Options Licensing Course* within a 12-month period as a condition to the maintenance of his approval to trade options after the four-month suspension period; a twelvemonth close supervision period; and a fine in the amount of \$45,000 and \$5,000 in costs. Meffé is a registrant with National Bank Financial Inc. See IDA Bulletin 3672 at www.ida.ca for details.

ONTARIO

Octagon Capital Corporation – On June 11, 2007, an IDA hearing panel found Octagon Capital Corporation (Octagon) guilty of participating in a distribution of securities which was not in accordance with the provisions of the Ontario, Alberta, and British Columbia Securities Acts, thereby engaging in business conduct unbecoming or detrimental to the public interest, and contrary to IDA By-laws and Regulations. Octagon has been fined \$50,000. See IDA Bulletin 3634 at www.ida.ca for details.

Stacey Trevor Symonds - On April 26, 2007, an IDA Hearing Panel accepted a settlement agreement negotiated between Mr. Symonds and staff of the IDA. Symonds admitted that he conducted discretionary trades in three client accounts without the accounts being specifically approved and accepted as discretionary accounts, contrary to IDA Regulations. Symonds is fined \$20,000 and must pay \$3,000 in costs. He will also be required to be under strict supervision for a period of 12 months upon any subsequent registration with a Member firm, and must successfully complete the *Conduct and Practices Handbook* exam within 6 months

SELF-REGULATORY ORGANIZATIONS

from any subsequent registration with a Member firm. Symonds is no longer employed with an IDA Member firm. See IDA Bulletin 3635 at www.ida.ca for details.

Geoffrey Bruce Schmidt – On May 1, 2007, IDA staff advised the IDA hearing panel that Schmidt had attended for the interview as ordered. The IDA panel ruled that to proceed with the charge would be unfair and unjust to Schmidt and dismissed the charges without costs. Schmidt has not been registered with an IDA Member firm since September 27, 2005. See IDA Bulletin 3637 at www.ida.ca for details.

Donald Moffat Little - Following a discipline hearing held May 15, 16 and 17, 2007, an IDA hearing panel found Little guilty of violating IDA By-laws by engaging in business conduct or practice unbecoming or detrimental to the public interest in that he accepted a cheque from an elderly client in the sum of \$500,000, liquidated securities in the client's account in order to cover the cheque, and then deposited the cheque into his personal bank account without the knowledge or consent and contrary to the internal policies of his Member firm employer. A second allegation that Little engaged in business conduct or practice unbecoming and detrimental to the public by becoming the Attorney, pursuant to a Power of Attorney for Property, and the Executor of the will of a client without the knowledge or consent and contrary to the internal policies of his Member firm employer, was dismissed as the IDA hearing panel was left in a state of doubt on this charge and ruled that the benefit of that doubt must be given to Little. Little was fined \$15,000 and must pay costs in the amount of \$20,000. He must also successfully complete the Conduct and Practices Handbook exam prior to any subsequent registration with an IDA Member firm. Little is no longer employed with an IDA Member firm. See IDA Bulletin 3644 at www.ida.ca for details.

Julius Caesar Phillip Vitug – On July 30, 2007, an IDA hearing panel dismissed the charge that, in or about April and July 2006, Vitug violated IDA By-laws by engaging in business conduct or practice which is unbecoming or detrimental to the public interest in that he misled staff of the IDA—on two occasions—by failing to respond truthfully and/or completely to questions posed in relation to two clients at an interview conducted by the IDA pursuant to By-law 19.5. The IDA hearing panel found that Vitug was not given sufficient notice in writing prior to the interviews about two clients about whose accounts he was questioned and therefore was deprived of the opportunity to fully prepare for the examination. The Panel ruled that the IDA has a duty to advise the person to be examined in writing of the matters under investigation and that the notice should be sufficient to let the person know in what respect his or her co-operation is required, which did not happen in this case. The IDA hearing panel also noted that the reason for not giving notice about the information was based on a concern on the part of the IDA to protect the integrity of the investigative process and to avoid any prejudice to the investigation. Vitug is currently employed with Blackmont. See IDA Bulletin 3652 at www.ida.ca for details.

David Lyle Doering - Following a disciplinary hearing held on July 5, 2007, Doering admitted to engaging in conduct detrimental to the public interest, contrary to IDA By-laws, in that he acted contrary to the provisions of the Ontario Securities Act when he solicited and traded investments for his clients in two off book private placements for which a prospectus had not been filed nor an exemption obtained, without the knowledge of his Member firm employer and contrary to his firm's internal policies. A second allegation was dismissed, namely that between October and November 2000 Doering engaged in business conduct or practice unbecoming and detrimental to the public by failing to disclose his involvement in an outside business activity, namely that he was a director and CFO of a company, to his Member firm employer or to the IDA. Doering was fined \$12,500 and must pay \$10,000 in costs. Doering will also be under close supervision for six months from the start date of new employment at a Member firm. Doering is not currently employed by an IDA Member firm. See IDA Bulletin 3653 at www.ida.ca for details.

SELF-REGULATORY ORGANIZATIONS

Chak (Jason) Ng – An IDA hearing panel found Chak (Jason) Ng guilty of violating IDA By-laws for unknowingly facilitating a market manipulation in the stock of Pender International Inc. (Pender). The hearing panel also found that Ng violated IDA Regulations by taking instructions for various accounts from Michael Mitton, the perpetrator of the manipulation, notwithstanding that Mitton had no trading authorization over those accounts. Ng is currently employed with Research Capital Corporation, a Member of the IDA. The penalties imposed against Ng will be determined at a penalty hearing to be held on November 26 and 27, 2007.

Ivan Djordjevic – On July 20, 2007, an IDA hearing panel found that, on or about March 1, 2004, Djordjevic forged the signature of client AG on an unlimited guarantee for the purposes of having AG guarantee the account of client PW which is conduct unbecoming and detrimental to the public interest. The penalties to be imposed upon Djordjevic will be assessed at a penalty hearing on October 10, 2007. Djordjevic has not been registered with an IDA Member firm since November 2005.

Ronald Keith Furevick - Following a disciplinary hearing held on July 20, 2007, an IDA hearing panel accepted a settlement agreement jointly submitted by IDA Enforcement staff and Furevick where Furevick admitted that he had contravened IDA By-laws by failing to disclose that he was the beneficial owner of an account in the name of Donald Verhash; that he had misrepresented to his employer's sales compliance staff that transactions in that account were being directed by Donald Verhash; and that he had conducted unauthorized trading in five accounts belonging to five different clients, none of whom suffered losses but were unnecessarily exposed to market risk of which they were not aware. Furevick agreed to pay \$35,000 in fines and \$25,000 in costs. He has also been assessed an 18 month suspension from approval in any capacity commencing on January 1, 2006; a 10 year suspension of approval in any supervisory capacity, including Branch Manager, Chief Compliance Officer and Ultimate Designated Person, commencing on January 1, 2006; a condition that he re-write and pass the examination based on the *Conduct and Practices Handbook* before being re-approved in any capacity; and a one year period of close supervision upon re-approval. Furevick has not been registered with an IDA Member firm since January 2006. See IDA Bulletin 3664 at www.ida.ca for details.

Davor Dave Milardovic - Following a disciplinary hearing on July 27, 2007, an IDA hearing panel found that Milardovic failed to cooperate in an IDA investigation in that he failed to attend interviews scheduled by IDA staff on January 11, 2007, and on May 9, 2007, contrary to IDA By-laws. The interviews were being conducted as part of an investigation into the circumstances surrounding Milardovic's dismissal from IPC Securities Corporation. For his misconduct, Milardovic has been fined \$50,000 and must pay \$8,000 in costs. He has also been assessed a permanent prohibition from approval in any capacity. Milardovic has not been employed with an IDA Member firm since March 2006. See IDA Bulletin 3665 at www.ida.ca for details.

Credifinance Securities Limited - An IDA appeal has allowed the appeal of Credifinance Securities Limited (Credifinance), at all material times a Member of the IDA. Following an appeal hearing held on July 3, 2007, the IDA appeal panel allowed Credifinance to appeal a Hearing Panel decision dated October 25, 2006 which found Credifinance guilty of failing to co-operate with the IDA, namely by failing to respond within the time requested by IDA investigators to two written demands dated November 3, 2005 and November 10, 2005. The IDA appeal panel determined that Credifinance was not obligated to provide the information until the demand letter was received. This was contrary to the finding of the original Hearing Panel that Credifinance had failed to co-operate by taking no steps to fulfill the undertakings it had given until after receipt of the letter dated November 3, 2005. The appeal was therefore allowed. Considering the demand of November 10, 2005, the IDA appeal panel found that the Hearing Panel's decision that Credifinance failed to co-operate with the IDA by

SELF-REGULATORY ORGANIZATIONS

virtue of its failure to even try to obtain the backs of certain cheques from its carrying broker could not stand in light of the fact that the conduct was not sufficient on its own to make out the charge that on or about November 2004 to January 2006 Credifinance failed to cooperate with the IDA by failing to provide information and documents as required by the IDA, contrary to By-law 19.5. See IDA Bulletin 3668 at www.ida.ca for details.

MANITOBA

Jory Capital Inc. and Patrick Michael Cooney – An IDA appeal panel dismissed an appeal brought by Jory Capital Inc. (Jory) and Patrick Michael Cooney. The appeal was from two decisions of a Manitoba District Council Hearing Panel. The first decision, dated July 28, 2005, found that a June 22, 2004 payment by Jory to Mr. Cooney, while Jory was in a loss situation and under certain Early Warning Restrictions, violated IDA By-laws. The second decision, dated January 5, 2006, imposed sanctions on Jory and Cooney. Jory was fined \$25,000. Cooney was fined \$25,000 and was prohibited, for a period of five years, from receiving approval in any capacity where he might exercise significant influence on, or responsibility for, financial compliance. The Appeal Panel found that the sanctions imposed were reasonable, having regard to Jory's and Cooney's prior disciplinary record in matters relating to financial compliance. The IDA Appeal Panel agreed with the Hearing Panel that repeated violations had to attract progressively escalating sanctions. The appellants have indicated an intention to bring a further appeal to the Manitoba Securities Commission. See the IDA Bulletin 3626 at www.ida.ca for details.

ALBERTA
