Green Manitoba Poster Event-School/Teacher information

Purpose of event

To promote learning and action on sustainability in the school system through the production of creative artwork focussing on the following themes: waste reduction, water conservation, energy efficiency, healthy and sustainable communities, active/green transportation, education for sustainable development and sustainable living.

Additional Entry Rules

- Computer generated artwork accepted (i.e. for grades 7-8) providing it is freehand work
- Artwork depicting integrated aspects of sustainability using two or more themes is encouraged
- Up to a maximum of 10 posters per classroom will be accepted.
- Every effort will be made to return original artwork. **Important-Please ensure that the students name, grade, school and full town/city address (street number, postal code) are clearly printed on the back of each poster so that posters can be returned to students.**
- **Important-enclose a note in your school poster mail package sent to Green Manitoba indicating the number of student participants in your school and full address information, so we can send along the correct amount of participation awards to the right address**
- Green Manitoba reserves the right to display a limited number of posters for public display and education purposes
- Please **Reduce** paper use. Print a limited number of poster advertisements for promotion in your school. To receive color print advertisements call toll free 1866-460-3118 or go to www.greenmanitoba.ca and click on 'Contact Us'
