> Introducing the Hybrid Electric Vehicle Rebate

Get behind the wheel of a new hybrid vehicle and you'll receive a \$2000 rebate.

The Manitoba Hybrid Electric Vehicle Rebate program is a part of Manitoba's vision to create a healthier environment for all of us.

If you're planning to buy a new car, you have an opportunity to contribute to a healthier environment by making the greener choice. By purchasing a hybrid electric vehicle, you will help to reduce greenhouse gas emissions that contribute to climate change. The \$2,000 rebate makes the purchase more affordable – plus, you will benefit from lower fuel costs for the life of the vehicle.

> Frequently Asked Questions about Manitoba's Hybrid Electric Vehicle Rebate Program

Q: Who can apply?

A: Manitoba residents who purchase and register their hybrid vehicle in Manitoba are eligible for the \$2,000 rebate.

Q: How do I apply for this rebate?

A: You complete a simple, one-step application at the same time that you register your vehicle. Simply tell your MPI broker that you've purchased a new hybrid vehicle in Manitoba, and the broker will help you complete and submit your application.

Q: How long do I have to apply for this rebate?

A: Applications must be filed within two years from the lease or purchase date of your vehicle.

Q: When did the program start and how long will it run?

A: The program officially began on November 15, 2006 and will run until November 15, 2008.

Q: I bought my vehicle before November 15, 2006. Am I eligible to receive a rebate?

A: Only hybrid vehicles that are purchased or leased (minimum 2 year lease) between November 15, 2006 and November 15, 2008 will be eligible.

Q: Are all hybrid electric vehicle models eligible for the Manitoba rebate, or just a select few?

A: All hybrid electric passenger cars and light trucks are eligible under this program. The current list of hybrids is reviewed regularly and new vehicles added when they

enter the marketplace. For a list of current, eligible, hybrid electric vehicles, visit www.manitoba.ca and search *hybrid rebate*.

Q: Do used hybrid vehicles qualify?

A: No. This program applies only to NEW hybrid vehicles.

Q: Am I eligible for a rebate if I purchase a hybrid vehicle outside Manitoba, but register it in Manitoba?

A: No. Vehicles purchased outside Manitoba are not eligible for this program.

Q: Can I receive a rebate for vehicles used in my business?

A: Yes, vehicles used for business purposes, including corporate fleet vehicles, are eligible.

Q: Can I benefit from both the Manitoba rebate and the federal rebate?

A: You may be eligible to receive a federal rebate in addition to Manitoba's rebate. For more information on the federal rebate, contact Transport Canada at 1-866-506-6804 or visit the Transport Canada website at: www.tc.gc.ca and search the *ecoAUTO Rebate Program*.
