

CHAPTER 6

OTHER FUNDED PROGRAMS AND INSTITUTIONS

6.1 Campus Manitoba

6.1.1 Background

Campus Manitoba (CMB) is a consortium of Manitoba's publicly funded universities and colleges that provide access to post-secondary education to Manitobans through the use of a broad selection of learning technologies. Funded by the Council on Post-Secondary Education, CMB makes post-secondary education widely accessible, serving those who live both near and far from main campuses, or who need alternative options to begin or complete programs.

CMB began as the First Year by Distance Education (FYDE) pilot program in September 1990. FYDE provided full-time first year university study in Arts and Science by distance education in the four northern and remote centres of Dauphin, Thompson, The Pas, and Flin Flon. In 1998, the mandate of the FYDE Program was expanded, and the program was officially renamed CMB to reflect the wide-ranging course offerings at the undergraduate level.

6.1.2 Full Course Equivalent (FCE) Registrations

Over the five-year period between 2001/02 to 2005/06, FCE registrations increased by 167 (15.5%) from 1,077 to 1,244.

2. Due program restructuring, credit hours data by community is not available at this time.

6.2 Inter- Universities Services

6.2.1 Background

Inter-Universities Services (IUS) is a consortium of UM, UW, and BU that was established in 1971/72 to deliver undergraduate courses and related student support services in communities north of the 53rd parallel. Students who register through IUS may transfer courses, grades and credits between the three universities. All courses satisfy the residency requirements for degrees at each university.

IUS is administered by KCC. IUS offers courses primarily in arts, social sciences, history, native studies and business administration. IUS also provides electives to support other university programming in the north.

The On-Site programs offered by IUS provide both full and part time study opportunities by instructors who travel to the northern communities. Credit courses are offered in response to identified needs, subject to budget limitations.

6.2.2 On-Site Course Enrollments

As Table 6.2.2 shows, course enrollments in IUS increased sharply in 2001/02 at 23.5% but declined by 2005/06 to -23.0%. At the same time, enrollments were consolidated in the major centres in the north.

1. Data is a head count by course, i.e each time a student register for a course.

6.3 Private Religious Institutions

6.3.1 Background

There are four private religious degree-granting institutions that receive a portion of their funding from the Council on Post-Secondary Education. This funding is to support enrollment in non-theological, non-denominational courses. The private religious institutions are the Canadian Mennonite University (CMU), Providence College and Seminary (PCS), William and Catherine Booth College (WCBC), and Steinbach Bible College (SBC). Five years of enrollment and graduation data from the private religious institutions are available: 2001/02 and 2005/06.

6.3.2 Enrollment by Program – Regular Session

As the data in Table 6.3.2 show, regular session enrollment increased at all four private religious institutions between 2001/02 and 2005/06. Overall, enrollment increased 172 or 10.2% over the five-year period.
