### CUSTOMER STATEMENT

I, the Customer, declare that I have read and comply with the Terms and Conditions on the reverse. I certify that the information I have provided on this Application is true and correct and the natural gas furnace/boiler for which I am requesting a rebate meets the requirements listed in the Terms and Conditions on the reverse. By signing, I give Manitoba Hydro permission to credit my natural gas account upon application approval. I authorize Manitoba Hydro to review my EnerGuide for Houses Energy Evaluation Report for the purpose of confirming the natural gas furnace/boiler installed as described herein.

## 2008 NON-OWNER OCCUPIED HIGH EFFICIENCY NATURAL GAS FURNACE AND BOILER REPLACEMENT REBATE PROGRAM

### TERMS AND CONDITIONS

1. To be eligible for the 2008 Non-Owner Occupied High Efficiency Natural Gas Furnace and Boiler Replacement Rebate Program (the "Program"), all terms and conditions must be met to Manitoba Hydro's satisfaction.
2. All natural gas furnace/boilers must be installed between April 1, 2008 to December 31, 2008.
3. The Customer must be the owner of the Residence in which the new natural gas furnace/boiler is being installed, and a Manitoba Hydro residential customer using natural gas as the home's primary heat source prior to the installation. The natural gas furnace replacement for which a rebate is being applied for must be installed at the Customer's Primary Residence. **Attached garages, outbuildings, and seasonal residences are not eligible for a rebate.**
4. The Customer must ensure that their installer/contractor obtains a valid Natural Gas Furnace Replacement permit number. **The valid permit number for the newly installed natural gas furnace must be provided on the front of the Application form in order to qualify for the rebate.**
5. The existing natural gas furnace must be replaced with a natural gas furnace with a **minimum efficiency of 92% AFUE and a DC variable-speed motor**. The existing natural gas boiler must be replaced with a natural gas boiler with a **minimum efficiency of 85% AFUE**.
6. Any rebate(s) and/or incentive(s) offered and/or provided by any manufacturer, distributor, dealer, and/or installer, are separate and distinct from this Program. Manitoba Hydro will not be responsible for any rebate(s) or incentive(s) offered by any manufacturer, distributor, dealer, and/or installer, or the administration thereof.
7. A separate and complete application must be submitted for each natural gas furnace/boiler that is installed.
8. Application forms must be accurately and fully completed and must be submitted to Manitoba Hydro with copies of all supporting invoices and receipts with respect to the natural gas furnace/boiler for which the Customer is claiming a rebate. Completed Application forms and copies of invoices/receipts must be received (or postmarked) no later than January 15, 2009. Manitoba Hydro will not be responsible for any late, lost, incomplete, illegible, misdirected, stolen, delayed, damaged or destroyed Application forms, or otherwise failures or circumstances affecting, disrupting or corrupting the Program. Any Application forms that are incomplete or tampered with may be voided by Manitoba Hydro.
9. Manitoba Hydro reserves the right to inspect and evaluate the newly installed natural gas furnace/boiler at the Residence at any reasonable time for quality assurance purposes and for verification of the purchase and installation prior to issuing a rebate. **A rebate may not be paid if an inspection or evaluation is refused or upon discovery of any failure to comply with any requirement of the Program.** The issuing of an application approval number in no way binds Manitoba Hydro to pay a rebate.
10. The Customer agrees that the selection, purchase, installation and ownership/maintenance of the natural gas furnace/boiler and associated measures and services listed in the Application form are its sole responsibility and that the provider(s) of same is not affiliated with Manitoba Hydro or any of its Power Smart\* programs. The Customer understands that Manitoba Hydro makes no representation or warranty, whether expressed or implied, of any such natural gas furnaces, services, or measures, that the Customer has chosen and applied for a rebate for. The Customer agrees that Manitoba Hydro has no liability concerning any estimated energy savings of any natural gas furnaces, services, or measures, and/or the installation, performance, use, or fitness, of the same for the Customer's purposes.
11. The Customer agrees that Manitoba Hydro has the right to claim and to own any emission reduction (greenhouse gas) credits that may result from the natural gas furnace/boiler installed.
12. The Customer is responsible for meeting all Program requirements and complying with any laws, regulations, or by-laws regarding permits, codes, restrictions, or inspections in relation to products or equipment installed.
13. Rebates will be applied first to any outstanding amounts of the Customer with Manitoba Hydro in the following order: (i) Manitoba Hydro loan arrears; (ii) natural gas account balances; and (iii) electricity account balances. Otherwise, the Customer will receive the rebate as a credit to the Manitoba Hydro Natural Gas Account identified on the front page of this Application form.
14. Manitoba Hydro's decisions relating to the Program, including without limitation product acceptability, customer eligibility, and amount of rebate, shall be final and binding and not subject to appeal. Manitoba Hydro reserves the right to change or terminate the Program for existing homes at any time without notice. A completed eligible application received prior to a change or termination of the Program will be administered in accordance with the Program as if it existed effective as of the date of the Rebate Application.
15. By applying for this offer, the Customer acknowledges that Manitoba Hydro or one of its agents may contact the Customer in the future to participate in a survey regarding this Program.
