VERY IMPORTANT INFORMATION - PLEASE READ CAREFULLY

The GED tests are available in English and French. You must successfully complete all five tests in the same language to obtain a pass standing and be awarded a high school equivalency diploma.

If you have specific learning and/or physical disabilities and require special accommodations, please contact Gail Fox to obtain the necessary form to be submitted with this application.

ELIGIBILITY REQUIREMENTS: You must not have graduated from high school, be at least nineteen (19) years of age, and no longer enrolled in the public school system.

DEADLINE: Due to limited numbers, it is advised that you apply early. Your application and registration fee must be received in Fredericton at least **two weeks** prior to the date you select. If received after the deadline, you will be scheduled for the next available session. Faxes are not accepted. You will receive a notification to write giving the details of the session (location, dates, times, etc).

It is **very important to note** that upon arrival it is mandatory that you show a **valid PHOTO I.D.** bearing your name, date of birth, address, and signature (e.g. driver's licence, passport).

TEST RESULTS are mailed within six weeks of writing. The only scores reported are standard scores and percentile ranks. Raw scores and essay scores are not reported. Test results are confidential and cannot be given over the phone. Strict security must be maintained; therefore, test booklets and answer sheets will not be available for review - or for use in diagnostic/counselling activities.

POLICY ON RETESTING: You may rewrite a test in which the standard score is less than 450. A first rewrite is allowed with no waiting period but it is important to note that within a calendar year you can only write three times. For scores less than 400, you are encouraged to do some form of upgrading before the rewrite is attempted. Applications for any attempt **after a second writing** will be considered **three months** following the previous rewrite.
