(Postal Code)

As required under paragraph 109(1)(a) of the MINING ACT, you are hereby advised that

(Name of individual, corporation or partnership planning to do work)

plans to do the following work on the following property of which you are the owner:

Brief Description of Work: _____

Brief Description of Property: (Include the mineral claim numbers of all mineral claims on which work is planned and attach a map showing the mineral claims relative to identifiable topographic features)

This planned work may cause actual damage to or interference with the use and enjoyment of your property. If an agreement with respect to the work has not been reached between you and the planner of the work within 60 days after personal contact with you, the work may proceed after the planner has met certain conditions.

Dated at _____, the _____ day of _____

Signature of individual, corporation or partnership
planning work, agent or authorized officer

(Address of individual, corporation or partnership planning to do work)

(Postal Code)

(Telephone Number)

In the space below, indicate how and when this form was delivered to the property owner.

NOTE: This Notice must be delivered to the property owner and a copy delivered to the Recorder. The means of and date of delivery of the Notice to the property owner must be written on the copy. The planned work shall not be commenced until permission has been received from the Recorder and, where required, the planner of the work has met certain conditions with respect to a reclamation program and security.
