# Come and experience Warhol: Larger Than Life

at The Winnipeg Art Gallery  
from October 5, 2007 to  
January 6, 2008

## The Artist

Andy Warhol (1928-1987) was THE icon of Pop culture – flamboyant, controversial, and notorious – whose work is among the most recognizable in the world. Incorporating themes and images drawn from popular culture, including advertising, film and television, comic books, and rock music, he changed the way we see the world around us.

## The Exhibition

*Warhol: Larger than Life* is a career retrospective of one of the 20th century's most significant artists. An expansive project of over 140 drawings, prints, paintings, sculptures, photographs, archival ephemera, and films, it spans some four decades of production. *Warhol: Larger than Life* investigates this artist whose art transformed the banal and everyday, glamorized and fetishized celebrity, and propelled him into becoming a force larger than life.

Exhibition sponsored by The Winnipeg Foundation, The Dorothy Strelsin Foundation, and the Volunteer Committee to The Winnipeg Art Gallery. Supported by Destination Winnipeg and Belle Fosh Signs Ltd. Media sponsor: Winnipeg Free Press. Details at [wag.mb.ca](http://wag.mb.ca).

## The Gallery

The Winnipeg Art Gallery is open Tuesday through Sunday from 11:00am to 5:00pm, Thursday 11:00am to 9:00pm. Closed Mondays. Visit [www.wag.mb.ca](http://www.wag.mb.ca) for more information.
