

Oak Lake Provincial Park

Notification of intent to Correct Legal Survey Plan

- Location of incorrect legal description
- Actual legal location of the park

Summary

A new legal Survey Plan is required for Oak Lake Provincial Recreational Park to correct the original survey description that incorrectly located the park to the north.

Background

Due to an error made in the original description, the park was defined in the wrong location, approximately three kilometres north of the actual location. A new legal survey plan has been developed to correct the error.
