

HECLA/GRINDSTONE PROVINCIAL PARK

REDEVELOPMENT OF HECLA OASIS RESORT

OCTOBER 2006

Manitoba Conservation, in conjunction with the Paletta Group, new owners of the Gull Harbour Resort, has provided information about the temporary closure of the resort, the redevelopment initiatives underway inside the resort and plans for development on the lease property.

Upon reviewing this information, you are invited to provide comments on this information. All feedback is welcome. Please note that your comments will be kept confidential and all feedback will be combined into a summary of comments and will be posted on the Parks and Natural Areas Website at www.manitobaparks.com.

Question:

	Please provide your comments on how the redevelopment of the resort may either enhance or impact your experience in the park.							
-								

Please provide sp oark.	pecific comment	_		

Thank you for participating!
