Parliamentary Reporting and Accountability Launches New Web Site for Parliamentarians

The Parliamentary Reporting and Accountability Division of the Expenditure Management Sector, Treasury Board of Canada, Secretariat, has developed a Web site entitled Tools and Resources for Parliamentarians to provide comprehensive information on Estimates and the Parliamentary Reporting Cycle. The site provides quick access to both the financial and non-financial planning and performance information of individual departments and the Government of Canada as a whole.

The new Web site includes background information and links to documents that compose the estimates and reporting cycle, as well as other tools that provide information on horizontal initiatives, departmental audits and evaluations, and the strategic outcomes of the Government of Canada.
