POWER SMART APPLIANCE PROGRAM REBATE APPLICATION TERMS AND CONDITIONS

1. To be eligible for the Power Smart Appliance Program (the “Program”) all terms and conditions must be met to Manitoba Hydro’s satisfaction.
2. Rebates will be applied to the Customer’s corresponding Manitoba Hydro energy account for the Primary Residence in Manitoba where the appliance(s) is/are installed. **Attached garages, outbuildings, or seasonal residences are NOT eligible for a rebate.**
3. The appliance(s) must be new and meet or exceed ENERGY STAR® qualifications as per the specifications outlined by Natural Resources Canada and the Office of Energy Efficiency. Used appliances are not eligible for any rebate under this Program.
4. Any rebate(s) discount(s) and/or incentive(s) offered and/or provided by any manufacturer, distributor dealer and/or installer, are separate and distinct from this Program. Manitoba Hydro will not be responsible for any rebate(s), discount(s) and/or incentive(s) offered and/or provided by any manufacturer, distributor dealer and/or installer, or the administration thereof.
5. Only one application for each appliance type (i.e. clothes washer, freezer) will be accepted per household per Customer.
6. Customers who have purchased their clothes washer using a voucher and/or funds provided by the Manitoba Hydro New Homes program are not eligible for a clothes washer rebate under the Power Smart Appliance Program.
7. Application forms must be accurately and fully completed and must be submitted to Manitoba Hydro with all information and copies of all supporting receipts with respect to the appliance for which the Customer is claiming a rebate. Completed Application forms and copies of receipts must be received (or postmarked) by the later date of either 90 days from the date of the appliance purchase or 90 days from the specified date of delivery of the appliance as evidenced by the corresponding sales receipt. Manitoba Hydro will not be responsible for any late, incomplete or illegible Application forms and any received as such, may be voided by Manitoba Hydro.
8. Only those appliance purchases that fall within the announced Program deadlines will be considered by Manitoba Hydro for rebate eligibility.
9. Manitoba Hydro reserves the right to audit and evaluate newly installed appliances at the Primary Residence prior to or within three years from the date a rebate is issued to the Customer’s corresponding Manitoba Hydro energy account as set forth herein for verification of the purchase and installation prior to or after issuing a rebate.
10. The appliance(s) must remain in a Primary Residence in Manitoba for a minimum period of three years from the date of delivery.
11. If the Customer fails to comply with any of these terms and conditions then upon notice from Manitoba Hydro, the Customer shall reimburse Manitoba Hydro for the full amount of any rebate awarded. The Customer agrees that such repayment amount constitutes a debt to Manitoba Hydro and may be added to the Customer’s energy account and be collected as such or collected from the Customer as otherwise determined by Manitoba Hydro.
12. The Customer agrees that the selection, purchase, installation and ownership/maintenance of the appliances listed in the Application form are its sole responsibility and that the provider(s) of same is/are not affiliated with Manitoba Hydro or any of its Power Smart programs. The Customer understands that Manitoba Hydro makes no representation or warranty, whether expressed or implied of any such appliances, services or measures that the Customer has chosen and applied for a rebate for. The Customer agrees that Manitoba Hydro has no liability concerning any estimated energy savings of any appliances, services or measures, and/or the installation, performance, use or fitness, of the same for the Customer’s purposes.
13. The Customer agrees that Manitoba Hydro has the right to claim and to own any emission reduction (greenhouse gas) credits that may result from the installation of the appliances.
14. The Customer is responsible for meeting all Program requirements and complying with any laws, regulations, or by-laws regarding permits, codes restrictions, or inspections in relation to appliances, products or equipment installed.
15. Rebates will be applied first to any outstanding amounts of the Customer with Manitoba Hydro in the following order: (i) Manitoba Hydro loan arrears; (ii) electricity account balances; and (iii) natural gas account balances. Otherwise, the Customer will receive the rebate as a credit to the Manitoba Hydro Electric Account identified on the front page of this Application form.
16. Manitoba Hydro’s decisions relating to the Program, including without limitation product acceptability, customer eligibility, and amount of rebate, shall be final and binding and not subject to appeal.
17. Manitoba Hydro reserves the right to change or terminate the Program at any time without notice. A completed Application received prior to a change or termination of the Program will be administered in accordance with the Program as if it existed effective as of the date of the Application.
18. By applying for this rebate offer, the Customer acknowledges that Manitoba Hydro or one of its agents may contact the Customer in the future to participate in a survey regarding this Program.
