Life's Great Outdoors

In Manitoba's Provincial Parks

Planning a family gathering, youth or school outing?

Experience your special event in Manitoba's great outdoors. Choose from over 80 group use sites located across the province. Group use areas can accommodate multiple families or large numbers of people who want to camp or visit in close proximity to one another. From large open areas to scenic treed sites, our provincial parks have the amenities to make your get-together a success.

All group use sites include firepits, picnic tables and toilet facilities. Some groups sites provide picnic shelters and group fire rings. Most sites are available for booking through the Parks Reservation Service. To ensure that these areas remain available for groups, there are minimum group size requirements.

Advance bookings for each season commence the first Monday in February.
