## Life's Great Outdoors

In Manitoba's Provincial Parks

## Comfort Camping

Comfort Camping is the easiest way to camp in Manitoba's provincial parks. No tent? No problem! There's no need to haul a trailer or drive an RV either. Instead, stay in the comfort of a cabin or the coziness of a yurt. Comfort Camping accommodations come fully furnished and ready to enjoy. Try this unique, affordable alternative to traditional camping in Manitoba's provincial parks.

### Yurts

The newest addition to our fixed-roof accommodations is the oddly-named yurt. Yurts are part cabin, part tent and 100 per cent comfortable. These large, fabric-sided, domed shelters offer an authentic camping experience for visitors who don't own, or want to bring their RV or tent with them.

#### Yurt features

Each yurt has windows and a skylight that opens to let in fresh air and sunshine. A lockable door provides security and privacy. Electricity, a heater and lighting are offered for your convenience.

Your home-away-from-home also features rustic log furniture, including a twin/double bunk bed, futon, table, chairs and a small storage cabinet.

Each yurt will accommodate four adults or a family of five. A small sleeping tent may be allowed in some locations as long as the allowable number of persons on site is not exceeded.\*

Cooking is not permitted in the yurt.

Campers are expected to either use the firepit or bring a campstove or portable barbecue. A picnic table is provided at each site. Yurt housekeeping supplies include a broom, dust-pan, mop and garbage bags.

All yurts are 5 metres (16 feet) in diameter and are non-smoking accommodations. Many are wheelchair accessible. In consideration of other yurt guests, pets are not allowed inside yurts. Vehicles may be parked onsite at most locations.

### What to bring

You should bring all the things you need to camp such as sleeping bags, pillows, food, eating and cooking utensils. Don't forget your sense of adventure!

### Fees and reservations

The fee is \$40 per night plus applicable taxes with a minimum two-night reservation. Guests can book up to 14 nights and all fees are required at the time of booking. Yurts are also available on a walk-up basis between reservations.

Fees will be refunded for most cancellations. The amount will vary depending on when you cancel.

- If you cancel four or more days in advance of your arrival, your fees will be refunded less the \$7.65 non-refundable reservation fee.
- If you cancel within three days or less of arrival, your refund will be less the first night's fee and the reservation fee.
- If you cancel after your arrival date, no refund will be issued.
- There are no refunds for early departure.

Changes may be made to a yurt reservation four or more days in advance of arrival. A \$1.95 non-refundable fee applies to any change. VISA and MasterCard accepted.

*\*Note: The number of persons allowed on a yurt site cannot exceed four persons or one family unit. A family unit is generally defined as parent(s) and their children under the age of 18; however, the possible addition of a grandparent or similar relative is allowed.
