Calling all campers

The Parks Reservation Service is the easy, convenient way to link to most of Manitoba's provincial park locations. Reservations may be made at a variety of campgrounds, vacation cabins, yurts and group use areas. Your reservation guarantees that your site will be held for your arrival date. Reservations are recommended during the main camping season in July and all longweekends. However, some locations do offer some campsites on a first-come, first-served basis.

Visit parks throughout Manitoba

The Parks Reservation Service is available at a variety of campgrounds, family vacation cabins, yurts and group camping areas. A reservation guarantees that your campsite, cabin, yurt or group use site will be held for your arrival. Although reservations are recommended, some campsites are available on a first-come, first-served basis.

Reservation policies

Manitoba Parks has developed the following reservation policies to provide convenience and fair access to available campsites.

When to make a reservation

Group use, cabin and yurt reservations begin the **first Monday in February**. Campsite reservations begin the **first Monday in April**. During the season, reservations are restricted during the reservation window. Reservation windows by campground are noted on the chart located on the reverse side.

Making reservations for others

Now making reservations for others is easier than ever. You can make on-line reservations for yourself and your family and friends. Simply ensure that you have their information handy as reservations need to be made in their name. One easy payment secures all reservations.

Making reservations

Reservations must be made in the name of the person occupying the site. Online campsite reservations require individual User IDs and passwords. To speed up your reservation, please be prepared with the following information:

- arrival and departure dates
- your account number (if available)
- your name, address, telephone number and email address (if available)
- type of camping unit
- vehicle plate number
- number of people in your party
- credit card number and expiry date

Select campgrounds are now computerized and "in-person" reservations can be made by campground staff.

Reservation fee

A reservation fee of \$7.60 is required for each reservation made and must be paid at the time of booking. The reservation fee is in addition to nightly fees. Camping, group use, cabin and yurt fees vary, depending on facilities and services provided.

Payment

Full payment is required at the time you reserve your campsite or yurt. A deposit is required for all group use and cabin reservations. VISA and MasterCard are accepted.

Late arrivals

We will hold your campsite, yurt or cabin until 11:00 a.m. the day after your reservation arrival date. If you plan to arrive later, you must call the park or call centre to hold the remainder of your reservation. You will be charged for each night the reservation is held. Please advise us in advance of your scheduled arrival date if you will not be keeping your reservation. If you have not arrived at your campsite or cabin by 11:00 a.m. the day after your reservation date, and have not phoned to cancel, you will be considered a "no show" and your reservation will be cancelled. All fees will be forfeited.

Cancellations, changes and refunds

If your plans change, please let us know.

- If you cancel four or more days in advance, you will receive a refund, less the \$7.60 non-refundable reservation fee.
- If you cancel within three days or less, you will receive a refund, less the \$7.60 non-refundable reservation fee and the first night's camping fee.
- If you cancel after your arrival date, no refund will be issued.
- Changes must be made four or more days in advance of your arrival. There is a \$1.90 non-refundable fee for any change made to a reservation.

Cabin deposits will be refunded if the cabin is rebooked. Ask a customer service representative for more information.

Group Use (Overnight)	4pm	3pm

Early departures

If you must leave your campsite earlier than your planned departure date, the campground office will be pleased to arrange a refund for the unused portion of your stay. Some exceptions may apply. There are no refunds on early departures of cabins or yurts.

Long weekends, Folk Festival and other opportunities

The minimum reservation for long weekends is two nights and must include a Saturday night. Cabins and yurts require a two-night minimum at all times. There is a specific three-night minimum at Birds Hill Provincial Park during the Winnipeg Folk Festival. Certain sites in select locations offer a specific seven night minimum stay. There are no refunds on early departures when a minimum stay requirement is in effect.

Extending your stay

Renewals may be made at the campground office. All renewals must be made before 11:00 a.m. and are subject to campsite availability and maximum stay requirements.

Maximum stay

You may book stays for up to 21 nights, depending on campsite availability, at all locations. Family vacation cabins and yurts have maximum-stay limits of 14 nights.

Number of bookings

You may book up to five sites per call/on-line session, although lower limits may be placed in the event of high call volumes (ex: first week of April). The reservation fee applies to each stay and site reserved.

Age requirement

The minimum age requirement for reserving and being issued a camping permit is 16. The minimum age requirement for cabins and yurts is 18.

Site closures

Periodically, the Parks Reservation Service will close sites due to flooding or storms. Every effort will be made to assist you with alternate arrangements.
