The Volunteer Campground Host Program

Are you an experienced camper with a good knowledge about Manitoba's provincial parks?

Do you like meeting new people and helping them get the most from their stay in our campgrounds?

If so, you should register for the Volunteer Campground Host Program.

What is a volunteer campground host?

A volunteer campground host is a camper who performs a variety of duties including:

- Greeting and assisting other campers
- Answering questions
- Listening to comments and distributing information
- Promoting park events
- Directing campers to unique park features
- Reporting violations of park regulations

How does the program work?

As a volunteer campground host, you will work with park staff to ensure visitors enjoy their stay in provincial park campgrounds. You must be aware of park rules and regulations and display a volunteer host sign at you campsite when on duty. You will not be required to collect fees, issue park permits or do other tasks normally performed by park staff.

Volunteer campground hosts must be in attendance each weekend from the May long weekend to Labour Day plus a minimum of two weeks in July and two weeks in August.

What's in it for you?

The program provides an excellent opportunity to spend time promoting the many features of your favourite park. You provide a valuable public service and meet people from all over the world.

In addition, as a volunteer campground host, you will receive:

- A complimentary Employee Vehicle Pass
- A complimentary campsite for the season
- Background information on the park
- Hospitality training

Join the Program

To join the Volunteer Campground Host Program, complete the attached application form and forward it to the nearest provincial campground or park office.

Application Deadline: October 31

(Please attach additional pages if more space is required to answer questions completely.)
