6. Should extensive deterioration occur on any highway, the Minister of Transportation or someone authorized to act on his behalf, may reduce the allowable axle load or close the highway to all trucking by posting such notice to this effect.

7. Passenger buses and service vehicles are exempt from these restrictions.

8. Vehicles found to have an axle, axle group or gross weight exceeding that prescribed in these restrictions shall not be permitted to proceed until all axle weights of the vehicle are within the limits prescribed above, either by redistribution of load or by off loading onto another vehicle.

9. There will be no additional axle weight or vehicle weight allotted, in excess of the limits prescribed above, during the period these restrictions are in effect.

10. The Minister of Transportation reserves the right to change any of these restrictions at any time. These restrictions can be put in place sooner if weather conditions warrant.

11. These restrictions will be strictly enforced.

12. This notice supersedes any previous "Notice to Truckers" in regard to 2007 Spring Weight Restrictions.

HONOURABLE DENIS LANDRY
