Help us review veterinary services in Manitoba

This March, the Manitoba government is holding a series of public meetings across the province to get your input into veterinary services in Manitoba. These meetings will help shape recommendations for meeting both the current and future demands of Manitoba's livestock producers and animal owners.

Make yourself heard

Please register for the meeting closest to you by calling Ann Johner of Manitoba Agriculture, Food and Rural Initiatives at **204-945-7648** or your local Growing Opportunities office **on or before February 27**.
