

**BOARD OF COMMISSIONERS OF PUBLIC UTILITIES
NOTICE OF APPLICATION**

**APPLICATION OF NEWFOUNDLAND AND LABRADOR HYDRO UNDER SECTION
38 OF THE *PUBLIC UTILITIES ACT* FOR ABANDONMENT AND
DECOMMISSIONING OF DIESEL GENERATING STATION AND DISTRIBUTION
SYSTEM AT GREAT HARBOUR DEEP**

TAKE NOTICE that Newfoundland and Labrador Hydro has filed an application with the Board of Commissioners of Public Utilities seeking the Board's consent and approval, pursuant to Section 38 of the *Public Utilities Act*, to abandon and decommission the diesel generation station and distribution system at Great Harbour Deep.

AND FURTHER TAKE NOTICE that the Application states that, by mutual agreement, the permanent residents of Great Harbour Deep will be relocating and that termination of services provided by the Government of Newfoundland and Labrador, its Crown corporations and agencies will occur on or after October 31, 2002.

The Board will receive written submissions in connection with the Application from interested persons. Written submissions should clearly state the person's interest in the matter, issues or concerns in connection with the request by Newfoundland and Labrador Hydro, and the disposition which the person advocates. Documentation to support the concerns or issues raised should be included with the submission. **The Board will receive submissions until Monday, October 21, 2002.**

Copies of the application are available at Newfoundland and Labrador Hydro's regional offices throughout the Province or by contacting the Board Secretary. All correspondence and requests for further information should be addressed to the Board Secretary as set out below:

Office: Suite E210, Prince Charles Building, 120 Torbay Road, St. John's
