

Newfoundland and Labrador Centre For Applied Health Research

Call For Student Applications: Summer Institute on Knowledge Translation

The Institute of Population and Public Health (IPPH) and the Institute of Health Services and Policy Research (IHSPR) at CIHR is inviting applications from students for the 7th annual Summer Institute, to be held in Ottawa from June 22-25 2008.

The theme is "Innovation in Knowledge Translation Research and Knowledge Translation." CIHR invites applications from students in graduate training and post-doctoral fellows with an interest in knowledge translation research and knowledge translation in health services and policy or population and public health research communities.

Deadline for applications: April 23 2008
