BE A PART OF HISTORY WITH COMMEMORATIVE  
CALGARY STAMPEDE CENTENNIAL LIMITED EDITIONS.

Scott Hardy is a genuine Alberta artisan, a founding member of the Traditional Cowboy Arts Association, and just the man to create the official Calgary Stampede Centennial belt buckle. Inspired by some of the earliest Stampede buckles, the Longview artist has created a timeless design that will become an instant family heirloom. Crafted in sterling silver and gold, this buckle is limited to an edition of 100. The iconic Stampede horse "I-See-U", previously immortalized on the 1923 Stampede poster, is framed by a twisted rope edge. Each buckle requires 40 hours of handcrafting before it is signed and numbered by the artist. Scott's artistic melding of western heritage, the Stampede logo and the most sought-after metals in western lore has resulted in a beautiful celebration of 100 years of the Calgary Stampede.

Don't miss this opportunity to own an iconic commemorative item.
