--	---

⑩ *Public Access and Case Sensitivity*

Select "yes" or "no".

<p>(a) This version of this document contains information that includes or reveals material that is subject to a sealing order; information that is subject to limitations on public access; or information that is confidential.</p>	
<p>(b) This version of this document contains personal data identifiers or personal information that, if combined with the individual's name and posted on the Internet could pose a serious threat to the individual's personal security.</p>	
<p>(c) This version of this document contains information that is subject to a publication ban.</p>	

\* See the [Policy for Access to Supreme Court of Canada Court Records](#) and [Guidelines for Preparing Documents to be Filed with the Supreme Court of Canada \(Print and Electronic\)](#).

Note: Submit one form for every electronic document you file. However, if the document being filed consists of two or more volumes or is being filed for two or more SCC case files, only one form should be submitted. Include a PDF version of this form on the CD-ROM containing the electronic document. You are not required to file a printed version of this form.
