

How Canadian are you, eh?

Citizenship and Immigration Canada (CIC) challenges you to test your knowledge of Canada with a fun quiz on its multiculturalism.gc.ca/canadian2 website.

You can test your knowledge of Canada by accessing the app within Facebook or downloading the quiz for free onto your smartphone (iPhone, BlackBerry, Android) through designated online stores, such as the Apple App Store, BlackBerry App World or the Android Market.

Each time you take the quiz, 20 random questions are pulled from a collection of more than 150 Canadian trivia questions, so you can play more than once. Take the quiz, share your results, and challenge

friends and family to beat your score! When you play the “How Canadian are you, eh?” app on Facebook and Twitter, the game will track your results and let you publish them instantly and see which questions you answered correctly and which you didn’t.

This game is part of CIC’s Teacher and Youth Web Corner “A Fun Path to Learning.” The content comes from the popular new citizenship test study guide, *Discover Canada: The Rights and Responsibilities of Citizenship*, and the educational tool uses games and activities to teach students about Canada’s history and political institutions.
