- * If you have a negative amount in this column, add it to income as a recapture under "Other income" on the appropriate line on page 1. If there is no property left in the class and there is a positive amount in the column, deduct the amount from income as a terminal loss on line 9270, "Other expenses," on page 1. Recapture and terminal loss do not apply to a Class 10.1 property. For more information, read Chapter 3 of Guide T4004, Fishing Income.
