The T2 Short

Who can use the T2 Short?

The T2 Short is a simpler version of the *T2 Corporation Income Tax Return*. There are two categories of corporations that are eligible to use this return:

- You can use this return if the corporation meets **all** of the following conditions:
 - It is a Canadian-controlled private corporation.
 - It has either a nil net income for income tax purposes this year, or a loss this year.
 - It has a permanent establishment in only one province or territory.
 - It is not claiming any refundable tax credits (other than a refund of instalments paid).
 - It did not receive or pay out any taxable dividends.
- You can also use this return for a tax-exempt corporation (such as a non-profit organization) that has a permanent establishment in only one province or territory.

If the corporation does not fit into either of the above categories, please file a regular *T2 Corporation Income Tax Return*.

Except for Quebec, Ontario, and Alberta, the T2 Short also serves as a provincial or territorial income tax return.

What should you attach to the return?

There are three things you have to attach to this return:

- Schedule 100, *Balance Sheet Information*, showing the financial position of the corporation at the end of the taxation year;
- Schedule 125, *Income Statement Information*, showing the corporation's income and expenses for the year (if the corporation did not earn any income or incur any expenses, simply state "no income no expenses"); and
- Schedule 141, *Notes Checklist*, for any notes to the financial statement information and to indicate the involvement of an accountant.

Depending on the circumstances, you may have to attach other forms or schedules. For more information, see page 2 of the T2 Short return. On the back of this page, we have provided a short version of Schedule 1. If you need to complete this schedule, you can attach this page to the T2 Short return.

Note

If you need help completing this return, or you need a copy of the *T2 Corporation Income Tax Guide*, call or visit your tax services office.

If you need more information about items on the return, including proposed legislation, see the corresponding items in the *2000 T2 Corporation Income Tax Guide*.

Send one completed copy of this return, including schedules, and the *General Index of Financial Information* (GIFI) to your tax services office or to the tax centre that serves the corporation. You have to file the return within six months after the end of the corporation's taxation year. See items 1 to 5 in the guide for more information on when and how to file T2 returns.
