ALTERNATIVE MINIMUM TAX

Use this form to calculate your 2001 federal tax payable under alternative minimum tax. If you are completing a return for a trust, use Schedule 12 of the T3 return. Complete Parts 1, 2, and 8 if you do not have to pay minimum tax in 2001 and you are applying a minimum tax carryover from previous years against your 2001 tax payable. Alternative minimum tax does not apply to a person who died in 2001 or to returns filed under subsection 70(2) or 150(4), or under paragraph 104(23)(d) or 128(2)(e) of the Income Tax Act. Attach a completed copy of this form to your 2001 return.

You may also have to complete and attach copies of the following forms, depending on your situation:

- Form T1219, Provincial Alternative Minimum Tax.
- Form T2203, *Provincial and Territorial Taxes for 2001 Multiple Jurisdictions*, if you had business income in 2001 from a province or territory other than the one in which you lived at the end of the year, or from another country.

If you are a member of a partnership, include your share of the income and deductions for the partnership's fiscal period ending in 2001. Do not include any amounts that you have to include on lines 8 to 10 of this form.

Note 2

For film property and rental and leasing property, first add income from these investments (before CCA or carrying charges, if applicable) and net taxable capital gains, if any, from dispositions of such investments. Then subtract losses from these investments (before CCA or carrying charges, if applicable). If the result is negative, enter "0".

If you are a limited or non-active partner of a partnership, or if your interest in the partnership is in a tax shelter that the partnership holds, include on line 8 your share of the net losses of the partnership from each source (allowable capital losses, business losses, and property losses) that is more than the amount allowed under paragraph 127.52(1)(c.1) of the Act.

Generally, the amount allowed under that paragraph should correspond with the net taxable capital gains that were attributed to you by the partnership or that you have realized on the disposition of your interest in the partnership. These losses are generally reported on line 122 of your return, except rental (line 126) and farming losses

Note 4

Also include all other amounts deducted for property for which an identification number is needed or has been obtained under section 237.1 of the Income Tax Act, such as carrying charges relating to the acquisition of the property. Include amounts from Form T5004. Statement of Tax Shelter Loss or Deduction, that you reported on your return. Do not include amounts that you have to include on any other line of this form.

Enter on this line carrying charges relating to the acquisition of an interest in a partnership of which you were a limited or non-active partner, or in a partnership that owns a rental or leasing property or a film property. Include only carrying charges that are more than your share of the partnership's income.

Note 6

Calculate the limited partnership losses, restricted farm losses, farm losses, and non-capital losses for other years from CCA and carrying charges, using the rules in effect for the year.

If you elect under section 40 of the Income Tax Application Rules, include the elected income in the total on line 43.

Note 8

If you have unapplied capital losses from other years, complete Part 9 and enter the net non-deducted capital losses on line 46. This applies even if you have not claimed any net capital losses of other years on line 253 of your return. However, if line 24 in Part 1 is "0" or negative, and you do not have any unapplied net capital losses from before May 23, 1985, do not complete Part 9. Enter "0" on line 46.
