ALTERNATIVE MINIMUM TAX

Use this form to calculate your 2006 federal tax payable under alternative minimum tax. If you are completing a return for a trust, use Schedule 12 of the T3 package. Complete Parts 1, 2, and 8 if you do not have to pay minimum tax in 2006 and you are applying a minimum tax carryover from previous years against your 2006 tax payable. Alternative minimum tax does not apply to a person who died in 2006 or to returns filed under subsection 70(2) or 150(4), or under paragraph 104(23)(d) or 128(2)(e) of the *Income Tax Act* (the Act). Attach a completed copy of this form to your 2006 return. If you had business income in 2006 from a province or territory other than the one in which you lived at the end of the year, or from another country, you may also have to complete and attach a copy of Form T2203, Provincial and Territorial Taxes for 2006 – Multiple Jurisdictions.

Generally, the amount allowed under that paragraph should correspond with the net taxable capital gains that were attributed to you by the partnership or that you have realized on the disposition of your interest in the partnership. These losses are generally reported on line 122 of your return, except rental (line 126) and farming losses (line 141).

Note 4 – Also include all other amounts deducted for property for which an identification number is needed or has been obtained under section 237.1 of the Act, such as carrying charges for the acquisition of the property. Include amounts from Form T5004, Claim For Tax Shelter Loss or Deduction, Gift Tax Credit, or Political Contribution Tax Credit, that you reported on your return. Do not include amounts that you have to include on any other line of this form.

Note 5 – Enter on this line carrying charges for the acquisition of an interest in a partnership of which you were a limited or non-active partner, or in a partnership that owns a rental or leasing property or a film property. Include only carrying charges that are more than your share of the partnership's income.

Note 6 – Calculate the limited partnership losses and/or restricted farm losses, farm losses, and non-capital losses for other years from CCA and carrying charges, using the rules in effect for the year. If you need help, contact us.
