

- Enter the applicable tax year in the box above.
- Use this schedule to calculate the capital gains on gifts of certain capital property made to a qualified donee\*, if the property is: shares, debt obligations, or rights listed on a designated stock exchange\*\*; shares of a mutual fund corporation; units of a mutual fund trust; a prescribed debt obligation; an interest in a related segregated fund trust; or ecologically sensitive land (including a covenant, an easement, or in the case of land in Quebec, a real servitude).
- \* For donations of these types of properties to a private foundation, the inclusion rate of zero applies only to gifts made after March 18, 2007, and does not apply to gifts of ecologically sensitive land.
- \*\* An inclusion rate of zero may be applied to any capital gain realized on the exchange of shares of the capital stock of a corporation for publicly listed securities donated after February 25, 2008. See Pamphlet P113, *Gifts and Income Tax*, for conditions that must be met in order to be eligible for this treatment. Special tax treatment may also apply on a similar exchange of a partnership

interest (other than a prescribed interest in a partnership). In these cases, a new calculation is required to determine what the capital gain will be. This amount should be reported directly on line 10 of Schedule 1, *Dispositions of Capital Property*. See Pamphlet P113 for details on this calculation.

- For the definition of **qualified donee**, see Guide T4037, *Capital Gains*.
- Under proposed changes, if there is no advantage in respect of the gift, the full amount of the capital gain realized on the gift is eligible for an inclusion rate of **zero**. However, if there is an advantage, only a portion of the capital gain is eligible for the inclusion rate of zero. The remainder is subject to an inclusion rate of 50%. For a definition of **eligible amount** and **advantage**, see the definition of gift under "Definitions" in the publication T4013, *T3 Trust Guide*.
- **Include a completed copy of this schedule with the trust's return.** Attach all receipts to this schedule.
