#### Informative notes

- The rules for section 85 elections are complex. Essential information is contained in Information Circular 76-19 and Interpretation Bulletins IT-169, IT-172, IT-291, and IT-378.
- For this election to be considered valid, you have to complete all the information areas and answer all questions. If incomplete, the Canada Customs and Revenue Agency will consider the election invalid, and subsequent submissions will be subject to a late-filing penalty.
- If the agreed amount exceeds the adjusted cost base of the property in the election, you must report the difference as a capital gain, as income or a combination of both, whichever applies.
