## PART I.3 TAX RETURN - TAX ON LARGE FINANCIAL INSTITUTIONS

Name of corporation	Account Number / Business Number	Taxation year-end Day Month Year
---------------------	----------------------------------	----------------------------------

- This return is to be used for 1992 and subsequent taxation years by financial institutions (other than insurance corporations) that have Part I.3 tax payable before the deduction for surtax credits.
- This return includes changes proposed by the Minister of Finance in April and July, 1995. These changes were not law at the time of printing but we are preparing to apply them.
- Subsection 181(3) provides the basis to determine the carrying value of a corporation's assets or any other amount under Part I.3 in respect of
  its capital, investment allowance, taxable capital or taxable capital employed in Canada or in respect of a partnership in which it has an
  interest.
- Subsection 181(1) defines the terms "financial institution", "long-term debt" and "reserves".
- No Part I.3 tax is payable for a taxation year by a corporation that was:
  - 1) a non-resident owned investment corporation throughout the year, or
  - 2) a bankrupt (as defined by subsection 128(3)) at the end of the year, or
  - 3) throughout the year a deposit insurance corporation as defined by subsection 137.1(5), or deemed to be a deposit insurance corporation by subsection 137.1(5.1), or
  - 4) throughout the year exempt from tax under section 149 on all of its taxable income, or
  - 5) neither resident in Canada nor carried on business through a permanent establishment in Canada at any time in the year, or
  - 6) throughout the year a corporation described in subsection 136(2) the principal business of which was marketing (including processing incidental to or connected therewith) natural products belonging to or acquired from its members or customers.
- · Parts, sections, subsections and paragraphs referred to in this return are those of the Income Tax Act.

## **CALCULATION OF CURRENT YEAR SURTAX CREDITS**

- For 1992 and subsequent taxation years, corporations can claim a credit against their Part I.3 tax for the amount of Canadian surtax payable. This is
- called Surtax credit.

  Financial Institutions can also apply the Surtax credit against their Part VI tax but only after applying the maximum amount against Part I.3 tax.

  And Usused Surtax credit can be carried back three years or carried forward seven years but never to a taxation year ending before 1992. The
