STATEMENT OF PENSION INCOME ALLOCATIONS/DESIGNATIONS

- For use by a trustee to determine where favourable treatment is available for pension income being allocated to beneficiaries. All pension income may be allocated as "Other Income" in Box 26 of the T3 Supplementary, in which case, no amounts should be entered on this schedule. However, for favourable treatment to be available to the beneficiaries on their T1 returns, pension income, where eligible, must be designated and recorded in the appropriate Box. Some types of pension income may no longer be designated while other types may only be designated to certain beneficiaries. The total amounts entered in Boxes 22 and 26 of this schedule may not exceed the lesser of the pension income reported on line 02 on page 2 of the T3 return and the amount entered on line 24 on page 2 of the T3 return.
- For the purpose of designating pension income to a beneficiary, a spouse also includes a common-law spouse of the opposite sex who was living with
 the decedent at the time of death in a conjugal relationship and either had lived with the decedent for a period of at least one year or is a natural or
 adoptive parent of the decedent's child.
- Amounts recorded in Box 22 are eligible income for transfer to a Registered Retirement Savings Plan (RRSP) or Registered Pension Plan (RPP) under paragraph 60(j).
- Amounts recorded in Box 31 are eligible pension income for purposes of the pension income non-refundable tax credit under S.S. 118(3).
- Amounts recorded in Box 36 are eligible amounts for the purpose of acquiring an annuity as described in subclause 60(l)(v)(B.1)(ll) and must be
 identified as "Eligible for Annuity of Minor" either as the heading of the Box or as a footnote below Boxes 41 to 42.
