SCHEDULE 7 - STATEMENT OF PENSION INCOME ALLOCATIONS AND DESIGNATIONS

- Complete this schedule if the testamentary trust is designating pension income to beneficiaries, and you want the beneficiaries to have favourable treatment on their income tax returns for that pension income. You need the amounts from this schedule to complete Schedule 9. You have to designate the pension income and record it in the appropriate box on the beneficiary's T3 Supplementary stip.
- You can allocate all pension income as "Other Income" in box 26 of the T3 Supplementary slip. In this case, you do not need to complete this
 schedule. However, the beneficiaries will not have favourable treatment for this income on their individual returns.
- Amounts recorded at line 922 are eligible income for transfer to a registered retirement savings plan or registered pension plan under paragraph 60(j).
- Amounts recorded at line 931 are eligible pension income for purposes of the pension income non-refundable tax credit under subsection 118(3).
- Amounts recorded at line 936-1 are eligible amounts for the purpose of acquiring an annuity as described in subclause 60(l)(v)(B.1)(ll).
